TEXAS STATE VITA

I. Academic/Professional Background

A. Name and Title

Name: Dr. Kevin P. Collins Title: Associate Professor

B. Educational Background

Degree	*Year*	*University*	*Major*	*Thesis/Dissertation*
PhD	2019	Texas State University	Adult, Professional, and Community Education	Living With and Learning About Asthma on the College Campus
MSRC	2010	Northeastern University	Respiratory Care Leadership	
BSRC	1996	Texas State University	Respiratory Care	
BSED	1988	Stephen F Austin State University	Physical Education	

C. University Experience

Position	*University*	*Comments*	*Dates*
Associate Professor, Respiratory Care	Texas State University. San Marcos, TX, United States	Tenure and Promotion	September 1, 2016 - Present
Assistant Professor, Respiratory Care	Texas State University., TX		June 1, 2010 - August 31, 2016

D. Relevant Professional Experience

Position Entity Dates

Registered Respiratory Therapist, Nationwide Medical, Inc. January 2020 – February 2023

Registered Respiratory Therapist/Registered Pulmonary Function Technologist
Cedar Park Regional Medical Center, Cedar Park, TX November 2007 – November 2018

Registered Respiratory Therapist/Registered Pulmonary Function Technologist
Heart Hospital of Austin, Austin, TX October 2006 - December 2009

Registered Respiratory Therapist/Registered Pulmonary Function Technologist
Seton Southwest Healthcare Center, Austin, TX October 2005 - August 2007

Registered Respiratory Therapist/Registered Pulmonary Function Technologist
Seton Medical Center, Austin, TX January 1996 - December 1999

Certified Respiratory Therapist / Cardiology Technician

St. David's Medical Center, Austin, TX December 1991 - December 1996

E. Other Professional Credentials (licensure, certification, etc.)

Asthma Educator Specialist, National Board for Respiratory Care. (July 5, 2005 - Present), Expires on July 2029.

NIOSH Approved Spirometry Course Director, Austin, TX, May 25, 2021

Registered Pulmonary Function Technologist, National Board for Respiratory Care. (December 1, 1997 - Present).

Certified Pulmonary Function Technologist, National Board for Respiratory Care. (June 1, 1997 - Present).

Registered Respiratory Therapist, National Board for Respiratory Care. (February 1, 1997 - Present).

Certified Respiratory Therapist, National Board for Respiratory Care. (December 1, 1995 - Present).

Respiratory Care Practitioner, Texas Medical Board. (November 2022 - November 2024). License Number: RCP00067115.

II. TEACHING

A. Teaching Honors and Awards:

Award / Honor Recipient (2018): National Board for Respiratory Care's Gareth B Gish MS RRT Memorial Postgraduate Education Recognition Award, American Respiratory Care Foundation. August 1, 2018. Additional Comments: This is a national award that recognizes the top performing respiratory care practitioners in the United States.

Award / Honor Recipient (2017): American Respiratory Care Foundation. Recipient of the William F. Miller, MD Postgraduate Education Recognition Award. Additional Comments: This is a national award that recognizes the top performing respiratory care practitioners in the United States.

Award / Honor Recipient (2017): Outstanding Service and Dedication Award, Cedar Park Regional Medical Center. November 1, 2017. Ten-year award for excellence in service to the respiratory care department at Cedar Park Regional Medical Center, Cedar Park, Texas.

Award / Honor Recipient (2016): American Respiratory Care Foundation. Recipient of the William F. Miller, MD Postgraduate Education Recognition Award. Additional Comments: This is a national award that recognizes the top performing respiratory care practitioners in the United States.

Award / Honor Recipient (2015): National Board for Respiratory Care's Gareth B Gish MS RRT Memorial Postgraduate Education Recognition Award, American Respiratory Care Foundation. August 1, 2015. Additional Comments: This is a national award that recognizes the top performing respiratory care practitioners in the United States.

B. Courses Taught:

Texas State University:

RC 1445 - RC CLINICAL LAB II
RC 2355 - RESP CARE PRAC I
RC 2365 - RESP CARE PRACT II
RC 2375 - RESP CARE PRAC III
RC 3125 - PUL FUNCTION TESTING
RC 3313 - RC CLIN PRACT I
RC 3323 - RC CLIN PRACT II
RC 3333 - RC CLIN PRACT III
RC 3365 - RESP CARE PRAC IV
RC 3375 - ICU INTERNSHIP
RC 4316 - RC CLIN PRACT IV
RC 4316 - RC CLIN PRACT V
RC 4317 - PULMONARY REHAB (Online)
RC 4317 – PULMONARY REHAB (face-to-face)
RC 4320 – LEADERSHIP & CONTEMP ISS CARDIO

C. Directed Student Learning (i.e., theses, dissertations, exit committees, etc.):

Supervisor / Chair, Honor's Thesis, "Students' Attitudes Toward Patient Smoking Status During Enrollment in a Pulmonary Rehabilitation Program", Status: Completed. (January 2017 - May 2017). Respiratory Care, Texas State University.
Student(s): Amanda Hale, Undergraduate, BSRC.
Mandy Hale_FINAL Signed Thesis_May 8 2017-1.pdf

D. Courses Prepared and Curriculum Development:

RC 4320 Contemporary Issues in Cardiopulmonary Care, Curriculum Development. Approved: 2013.

RC 4317 - Online, Curriculum Development, Texas State University. Taught: August 2018 - October 2018.

Additional Comments: Converted the face to face course into a 100%, online 8 - week course.

RC 4330 Pulmonary Rehabilitation, New Course: 2011.

Additional Comments: This course was updated with new curriculum in the areas of Lung Transplantation, Organ Donation, and Asthma Education for the fall semester of 2011. New PowerPoint lecture slides were created along with newly designed objective exams. Onsite visit, prior to the start of the semester, of the Pulmonary Rehabilitation programs in Austin, Kyle, and Round Rock was completed to meet with the respiratory therapy staff and to establish the goals and objectives for student learning during their pulmonary rehabilitation clinical site visit.

RC 3323, Revise Existing Course, Texas State University. Taught: January 2019 - March 2019.

ICU Medications_RC3323_Spring 2019-1.docx
ICU Pharmacology_RC 3323-1.pptx
Additional Comments: I revised the ICU Medications curriculum, which is part of the RC 3323 course. I expanded the list of medications that are pertinent to RC students as they prepare to enter ICU clinical rotations in the hospital. I created a review document of ICU medications and revised the medication exam.

RC 3323, Revise Existing Course, Texas State University. Taught: January 2019 - March 2019.

EKG4ICUprep_RC 3323_KC-1.pptx
Additional Comments: Revised a section of RC 3323, namely, the EKG curriculum. Selected topics were expanded, e.g., heart block and pacemakers. The EKG exam was revised to reflect the new material.

RC 3313, Revise Existing Course, Texas State University. Taught: August 2018 - December 2018.

F. Other:

Guest Lecture, CDIS 5390, Seminar in Communication Disorders for students in the master's degree program at Texas State University, Round Rock, TX, United States. (February 2025).

Guest Lecture, CDIS 5390, Seminar in Communication Disorders for students in the master's degree program at Texas State University, Round Rock, TX, United States. (February 2024).

Guest Lecture, CDIS 5390, Seminar in Communication Disorders for students in the master's degree program at Texas State University, Round Rock, TX, United States. (February 2023).

Guest Lecture, Arterial Blood Gas Analysis for the first year Doctoral Physical Therapy Students, Texas State University. Round Rock, TX. (March 2, 2023).

Guest Lecture for Dr. Carmen Vela at the Texas A&M School of Nursing, Round Rock, Texas. (September 2022).

Additional Comments: The primary focus of this 3-hour lecture was to provide eighty nursing students with a foundation of the duties of the respiratory therapist in the critical care area to the senior nursing students in the Adult Health II course.

Guest Lecture, CDIS 5390, Seminar in Communication Disorders for students in the master's degree program at Texas State University, Round Rock, TX. (February 2022).
CDIS Trach Lecture_Feb 2019-1.pptx

Guest Lecture, Arterial Blood Gas Analysis for the first year Doctoral Physical Therapy Students, Texas State University. Round Rock, TX, United States. (March 2022).

Additional Comments: The primary focus of this lecture was to provide the students with a foundation in Arterial Blood Gas acquisition, analysis, and interpretation of the results to improve patient care.

Guest Lecture, Arterial Blood Gas Analysis for the second year Doctoral Physical Therapy Students, Texas State University. Round Rock, TX, United States. (April 2021).

Additional Comments: The primary focus of this lecture was to provide the students with a foundation in Arterial Blood Gas acquisition, analysis, and interpretation of the results to improve patient care.

Guest Lecture, Chest Assessment for RC & DPT Students, Texas State University. Round Rock, TX, United States. (June 2019).

Additional Comments: This guest lecture was an IPE event involving 1st year DPT (physical therapy) students and 1st year RC (respiratory care) students. The primary focus was teaching the students a collaborative approach to patient assessment via Inspection, Palpation, Percussion, and Auscultation of the chest.

Guest Lecture, CDIS 5390, Seminar in Communication Disorders, Texas State University. Round Rock, TX, United States. (February 2019).
CDIS Trach Lecture_Feb 2019-1.pptx

Additional Comments: Guest lecturer for graduate students in CDIS seminar course. The primary focus of the lecture was tracheostomy tubes: types, function, and common patient problems when breathing and speaking with a tracheostomy tube in place.

Student Accomplishments:

Published Work:

Supervisor, Students' Attitudes Towards Patient Smoking Status During Enrollment in a Pulmonary Rehabilitation Program. "Students' Attitudes Toward Patient Smoking Status During Enrollment in a Pulmonary Rehabilitation Program," Original research, Journal of Allied Health. Status: Completed. (September 14, 2018). Respiratory Care, Texas State University.
Student: Amanda Hale, Undergraduate, BSRC.

Scholarship:

Supervisor, Oral and poster presentation of original research. "Students' Attitudes Toward Patient Smoking Status During Enrollment in a Pulmonary Rehabilitation Program," American Association for Respiratory Care International Congress, Indianapolis, Indiana. Status: Completed. (October 5, 2017). Respiratory Care, Texas State University.

Student(s): Amanda Hale, Undergraduate, BSRC.
Hale Collins AARC Poster_Indy F2017-1.ppt
Additional Comments: Original research abstract was peer-reviewed and published in the RC Journal.

G. Teaching Professional Development Activities Attended

Conference Attendance, American Association for Respiratory Care, Nashville, TN, United States. (November 3 - 6, 2023).

Conference Attendance, "Association of Asthma Educators Annual Conference," Association of Asthma Educators, Anaheim, CA, United States. (August 1, 2015 - August 4, 2015).
Additional Comments: Earned 15 contact hours of continuing respiratory care education credit from the American Association for Respiratory Care, 9425 MacArthur Blvd. Suite 100 Irving, TX 7506; Course #144675000.

Workshop, "Asthma Pharmacology presented by Association of Asthma Educators," Association of Asthma Educators, San Antonio, TX, United States. (August 1, 2014).
Additional Comments: Asthma Pharmacology: a comprehensive review for prescribers. The Association of Asthma Educators approved provider (#13605). Earned 6.5 hours of continuing education credits.

III. SCHOLARLY/CREATIVE

A. Works in Print (including works accepted, forthcoming, in press):
