Professional Profile

Educator, licensed clinician, and criminal justice professional with extensive experience in higher education, juvenile justice, behavioral health, correctional programming, and organizational leadership. Experienced in teaching undergraduate psychology courses, developing educational and behavioral programming, counseling justice-involved adolescents and families, and supervising multidisciplinary clinical and correctional teams.

Academic and professional interests include adolescent development, forensic psychology, juvenile justice, behavioral health, rehabilitation, trauma-informed care, correctional practice, and evidence-based intervention. Brings substantial applied field experience to the classroom, integrating psychological theory, clinical practice, and criminal justice systems to prepare students for professional practice and advanced study.

Professional Experience

Texas Juvenile Justice Department | Austin, Texas

Consultant | 2025

- Facilitated cross-system collaboration among the Texas Health and Human Services Commission, Department of Family and Protective Services, Local Mental Health Authorities, Texas Correctional Office on Offenders with Medical or Mental Impairments, and juvenile justice agencies.
- Assisted stakeholders in resolving complex cases involving youth served by multiple state and local systems.
- Collaborated with County Juvenile Probation Chiefs and other justice professionals to identify diversion opportunities and strategies intended to reduce recidivism.
- Supported coordination of behavioral health, juvenile justice, community, and social-service resources for youth with complex needs.

Williamson County Juvenile Services | Georgetown, Texas

Facilities Director | 2023–2025

- Directed daily operations of residential treatment, education, and juvenile detention programs involving more than 100 employees.
- Provided leadership across correctional, educational, clinical, and rehabilitative services.
- Directed programs aligned with juvenile justice, rehabilitation, treatment, education, public safety, and reentry objectives.
- Managed staffing, budgets, operational priorities, and regulatory compliance across facility programs.
- Coordinated interdisciplinary case and program reviews to strengthen rehabilitation and community reentry pathways.
- Oversaw criminal justice interns from area universities and supported their professional development and exposure to juvenile justice practice.
- Collaborated with clinical, educational, probation, administrative, and correctional professionals to address complex youth and organizational needs.

Williamson County Juvenile Services | Georgetown, Texas

Counselor Supervisor | 2022–2023

- Supervised counselors and interns providing behavioral health, therapeutic, and prevention services to justice-involved adolescents.
- Provided clinical and professional mentorship to counseling staff.
- Expanded group therapy and psychoeducational programming to support rehabilitation and behavioral change.
- Developed systems for monitoring outcomes and strengthening program accountability.
- Supported staff development through training, consultation, case review, and supervision.
- Helped translate evidence-based counseling theory into practical interventions within a juvenile justice setting.
- Collaborated with multidisciplinary teams concerning treatment planning, behavioral health needs, family involvement, and rehabilitation.

Williamson County Juvenile Services | Georgetown, Texas

Counselor | 2021–2022

- Provided individual, group, and family counseling to justice-involved adolescents.
- Utilized evidence-based and trauma-informed approaches including Cognitive Behavioral Therapy, Dialectical Behavior Therapy, Eye Movement Desensitization and Reprocessing, Solution-Focused Brief Therapy, and other developmentally appropriate interventions.

- Conducted risk assessments and crisis interventions involving youth with complex behavioral and emotional needs.
- Facilitated psychoeducational groups and family engagement initiatives.
- Participated in interdisciplinary treatment planning and case consultation.
- Supported youth in developing emotional regulation, coping, decision-making, interpersonal, and behavioral skills.
- Integrated trauma-informed principles into treatment and rehabilitation planning.

Travis County Sheriff's Office | Austin, Texas

Field Training Officer | 2016–2018

- Trained correctional officers in facility procedures, crisis response, policy compliance, inmate supervision, and suicide-prevention protocols.
- Evaluated and coached newly assigned personnel during field training.
- Reinforced professional standards, safety procedures, documentation requirements, and institutional policies.
- Identified opportunities to improve correctional safety systems and inmate care practices.
- Proposed and supported implementation of improvements to facility safety systems and operational standards.
- Applied behavioral health and crisis-management principles within a correctional environment.
