Dianne Rahm
Curriculum Vita
Last updated January 2026

Professor
Department of Political Science
Texas State University
601 University Drive
San Marcos, TX 78666

Specialization Areas

Environment and Energy Policy
Science and Technology Policy
Public Finance

Employment

Teaching

Professor, Department of Political Science, Texas State University, 2008-present. Graduate Courses: Sustainability Seminar; Public Finance Administration; Public Finance Information Systems; Environmental Policy, Politics, and Law; Public Administration and Information Technology. Undergraduate Courses: Public Personnel Administration; Public Policy Formulation; Public Policy Process; Public Finance; Introduction to Public Administration; Public Policy for Energy, the Environment, and Global Sustainability (Honors); Issues in Law and Public Policy.

Professor, Department of Public Administration, College of Public Policy, University of Texas at San Antonio, 2002-2008. Graduate Courses: Quantitative Methods, Environmental Policy (cross listed with Environmental Policy and Law in the Department of Earth and Environmental Science), Theories of Public Bureaucracy, Technology Policy, Program Evaluation, Scope and Methods of Inquiry, Public Policy Formulation and Implementation.

Professor, Levin College of Urban Affairs, Cleveland State University, 2001-2002. Associate Professor, 1999-2001. Graduate Courses: Ph.D. Research Methods Seminar; Systems and Processes of Policy Development; Ph.D. Dissertation Prospectus, Environmental Policy and Administration. Undergraduate Courses: Urban Policy, Environmental Policy.

Associate Professor, Department of Political Science, Master of Public Administration Program, Iowa State University, 1995-1999. Affiliated faculty, Environmental Studies Program. Graduate Courses: Research Methods, Methods of Policy Analysis and Program Evaluation, Ethics and Public Policy, Environmental Policy. Undergraduate Courses: Public Policy, Environmental Policy.

Associate Professor, Department of Government and International Affairs, Master of Public Administration Program, University of South Florida, 1993-1995. Assistant Professor, 1990 – 1993. Graduate Courses: Science and Technology Policy, Policy Analysis and Program Evaluation, Quantitative Analysis for Public Managers, Public Administration Computer Applications, Research Methods, Economic Policy Issues in American National and State Government, Environment of Public Administration, Statistics, Bureaucracy and Public Policy, Public Policy Issues of a Technological Society, Policy Analysis, Public Policy and Program Implementation.

Assistant Professor, Department of Public Administration, Pennsylvania State University, 1988 to 1990. Graduate Courses: Research and Development Policy, Social Science Research Methods, Statistics, Organization and Management Theory, Public Sector Computer Applications.

Academic Administration

Director, Center for Policy Studies, College of Public Policy, University of Texas at San Antonio, 2004–2005. Responsibilities: Chair Ph.D. Program Committee, supervise Nonprofit Management Program, establish graduate-level American Humanics nonprofit management certificate program, conduct College-wide research areas assessment, and arrange College-wide research colloquia series.

Interim Chair, Department of Public Administration, College of Public Policy, University of Texas at San Antonio, 2003-2004. Responsibilities: General oversight for departmental scheduling, curriculum, and program delivery.

Assistant Dean, Director of Graduate Programs, Levin College of Urban Affairs, Cleveland State University, 2001-2002. Responsibilities: Director of Ph.D. in Urban Studies and Public Affairs, Director of Master of Science in Urban Studies, Director of Master of Public Administration, and Director of Master of Arts in Environmental Studies. General oversight for program delivery, scheduling, curriculum, and graduate college liaison.

Director, Public Administration Graduate Program, Department of Political Science, Iowa State University, 1995-1999. Responsibilities: General oversight for the public administration programs including Master of Public Administration program delivery, management of the distance education Certificate of Public Management program, class scheduling, staffing, budgetary administration, internship supervision, curriculum revision, student advising, student recruitment, graduate college liaison, and community outreach activities.

Director of Graduate Education, Department of Political Science, Iowa State University, 1998-1999. Responsibilities: General oversight of the Master of Political Science program including class scheduling, staffing, student advising, student recruitment, and graduate college liaison.

Interim Coordinator, Science, Technology and Society Program, Graduate College, Iowa State University, 1997-1998. Responsibilities: General oversight of program activities including the STS colloquia series, the faculty research grant program, the doctoral fellowship program, newsletter, and Year 2000 Conference planning.

Acting Director for Computing, College of Arts and Sciences, University of South Florida, 1991-1992. Responsibilities: planning, acquisition, and installation of six multimedia instructional computer labs; budget supervision; advice to departments and faculty members; representation of the College on University-wide computer committees; and supervision of College computer personnel.

Education

Ph.D. Public Administration, Syracuse University, 1989.
M.S. Computer Science, Fitchburg State College, 1985.
M.A. American History, Wichita State University, 1976.
B.A. Liberal Arts, Wichita State University, 1975.
