TEXAS STATE VITA

I. Academic/Professional Background

A. Name: Shelby Hollis Title: Clinical Lecturer

B. Educational Background

Degree	*Year*	*University*	*Major*	*Thesis/Dissertation*
MSN	2023	Angelo State University	Nursing Education	
BSN	2002	Arizona State University	Nursing	

C. University Experience

Clinical Lecturer St. David's School of Nursing, Texas State University 01/2025-present

- Coordinate with the Course Faculty of Record to ensure that the assigned course is planned, implemented, and evaluated consistent with the overall curriculum plan, goals, and strategy.
- Participate in development and refinement of the course syllabus consistent with the standards and the overall curriculum design/plan, outcomes, and progression/leveling documentation. In collaboration with other faculty, select textbooks and other resources for students to purchase. The syllabus is the product of the faculty; however, belongs to the program, not to the faculty.
- Assist the Course Faculty of Record to ensure that the course syllabus and all components of the course are on CANVAS and are accessible to student prior to the first day of class and updated based on any modifications, clarifications, or additions as stated in University policies.
- Assist the Course Faculty of Record to orient new and continuing faculty to the course and facilitating group interaction and cohesiveness in delivery of the course.
- Assist in the development and update of individual class, seminar, laboratory, and clinical experience measurable outcomes, content outline, special instructions, discussion
  questions, textbook references, bibliographical references, and online interactive programs.
- Assist with evaluation of clinical agencies for clinical rotations with the Curriculum Coordinator.
- Teach and evaluate students in seminar and clinical groups in both laboratory and clinical area.
- Assist with student advisement, recruitment and retention activities as needed.
- Assist the Faculty of Record with scheduling the assigned labs with the Coordinator of the Simulation Laboratories.
- Explain and interpret the course plans to the students and clarifying any questions to ensure common understanding about the process, objectives, and requirements for the course.

- Assist with writing exam blueprints, questions, and assignments for the course. Assisting with exam administration, overseeing, and grading. Collaborating with colleagues in writing exam questions that are application or higher-level critical thinking questions.
- Assist with development and implementation of a tool for student course evaluations.
- Evaluate the course along with the Faculty of Record and students and making appropriate recommendations for changes.

Adjunct Faculty St. David's School of Nursing, Texas State University 08/2024-12/2024

- Teach competence in clinical, simulation, and skills areas including psychomotor skills, standards of practice, and critical thinking.
- Facilitate effective student learning in the clinical and lab settings.
- Provide evidence-based practices and evaluates student's practices in the clinical settings.
- Provide feedback on student progress to supervisory personnel.
- Collaborate effectively with other faculty and healthcare partners and its staff.
- Maintain current knowledge of the nursing curriculum, polices, and requirements.
- Maintain clinical competences and knowledge in area of expertise.

D. Relevant Professional Experience

Heart Hospital of Austin 09/2021-09/2025
Cath Lab/ EP Lab Pre-Op and Recovery RN

- Coordinate excellent patient care for patients in high-level cardiovascular pre-op and recovery areas

St. David's Round Rock Medical Center 06/2019-09/2021
