TEXAS STATE VITA

I. Academic/Professional Background

A. Name: Cameron Troy Poole Title: Doctoral Teaching Assistant
Email: Ouw7@txstate.edu

B. Educational Background

Degree	*Year*	*University*	*Major*	*Thesis/Dissertation*
Bachelors of Science	2024	Texas State University	Applied Mathematics	
	2020-2022	Austin Community College	Business	
	2018-2019	Chattahoochee Technical College	Business	
	2017-2018	Kennesaw State University	Pre-Medicine	

C. University Experience

- Undergraduate and Graduate Research Assistant for Dr. Nestor Guillen (January 2024 - Present): Studied topics in Real and Functional Analysis

D. Relevant Professional Experience

- Graduate Teaching Assistant for Calculus 2 (August 2024-May 2026)
    - Taught Calculus 2 Labs under: Mrs. Ellen Couvillion, Dr. Bryson Kagy, and Dr. Ethean Addison: Supplemental instruction and recitation for Calculus 2 course

III. SCHOLARLY/CREATIVE

4. Workshops: Attended Texas State Algorithms and Partial Differential Equation summer school/workshop

E. Scholarly / Creative Professional Development Activities Attended:

- Attended University of California, Irvine Partial Differential Equations Summer School
- Attended Texas A&M Summer School in Mathematical Physics

IV. SERVICE

A. Institutional

1. University: Texas State

2. College: College of Science and Engineering

3. Department/School: Mathematics

C. Community:

- Hosted Julia Robinson Math Festival as apart of SIAM
    - Julia Robinson is a math festival geared toward community outreach and introducing the community to interesting mathematics

D. Organization Memberships:

- President of Pi Mu Epsilon (Math Honors Society)
    - Host Talk Math 2 Me: A lecture seminar dedicated to introducing undergraduate to advanced mathematics beyond their typical lectures
- Society of Industrial and Applied Mathematics (SIAM)
    - Treasurer (August 2023 – May 2024)
