# TEXAS STATE UNIVERSITY VITA

## I. Academic/Professional Background

A. Name: D. Kim Rossmo Title: Professor

B. Educational Background:

| *Degree* | *Year* | *University* | *Major* | *Thesis/Dissertation* |
|---|---|---|---|---|
| Ph.D. | 1996 | Simon Fraser University | Criminology | *Geographic Profiling: Target Patterns of Serial Murderers* |
| M.A. | 1988 | Simon Fraser University | Criminology | *Fugitive Migration Patterns* |
| B.A. | 1978 | University of Saskatchewan | Sociology | |

C. University Experience:

| *Position* | *University* | *Dates* |
|---|---|---|
| Professor | Texas State University | 2022-present |
| University Chair in Criminology | Texas State University | 2008-2022 |
| Mitte Endowed Chair in Criminology | Texas State University | 2007-2008 |
| Director, Center for Geospatial Intelligence and Investigation | Texas State University | 2004-present |
| Research Professor | Texas State University | 2003-present |
| Geospatial Adviser | Violence, Injury, and Trauma Observatory<br>School of Public Health<br>University of Cape Town | 2017-present |
| Associate Scholar | Institute for Canadian Urban Research Studies | 2004-present |
| Visiting Professor | University of Houston-Downtown | 2000-present |
| Adjunct Professor | Simon Fraser University | 1996-present |
| Sessional Instructor | Simon Fraser University | 1988-1995 |
| Sessional Instructor | Douglas College | 1989 |
| Teaching Assistant | Simon Fraser University | 1985 |
| Research Assistant | University of Saskatchewan | 1974 |

D. Relevant Professional Experience:

| *Position* | *Entity* | *Dates* |
|---|---|---|
| Management Consultant | Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) | 2003-2005 |
| Director of Research | Police Foundation | 2001-2003 |
| Detective Inspector | Vancouver Police Department | 1978-2001 |

E. Other Professional Credentials:

Full Fellow, International Criminal Investigative Analysis Fellowship (ICIAF) (2002).

Police Studies Certificate Program. (1991). Justice Institute of British Columbia, Vancouver, BC.

Police Advanced Certificate of Education, Levels 1 to 4. (1989). Justice Institute of British Columbia, Vancouver, BC.

Certificates in General and Advanced Police Studies. (1983). Canadian Police College. Ottawa, ON.

Peace Officers General Training Program, Block V. (1982). Justice Institute of British Columbia, Vancouver, BC.

## II. Teaching

B. Courses Taught:

*Cold Case Investigations* (doctorate/master's level), Texas State University

*Crime Analysis* (master's level), Texas State University

*Academic Scholarship and Communication* (doctorate level), Texas State University

*Quantitative Geography of Crime*, independent study (doctorate level), Texas State University

*Environmental Criminology* (doctorate level), Texas State University

*Investigations* (master's level), Texas State University

*Geographic Profiling Analysis I: The Geography of Crime*, Texas State University

*Geographic Profiling Analysis II: Rigel Analyst*, Texas State University

*Serial Murder*, Texas State University

*Administration of Justice*, Texas State University

*Forensic Behavioral Science*, British Columbia Institute of Technology

*Phenomenon of Serial Murder*, Simon Fraser University

*Law Enforcement Administration and Planning*, Simon Fraser University

*Introduction to Policing*, Simon Fraser University

C. Graduate Theses/Dissertations, Honors Theses, or Exit Committees:

Rossouw, Z. (in progress). *Cold case investigations*. Doctoral dissertation, Texas State University, San Marcos, TX. Supervisor.

Chai, A. (2025). *The mortal tragedy: Analyzing body disposal patterns in homicide cases*. Doctoral dissertation, Texas State University, San Marcos, TX. Supervisor.

McDowell, M. (2022). *Social disorganization theory, gentrification, and intimate partner violence in Austin, Texas*. Doctoral dissertation, Texas State University, San Marcos, TX. Committee member.

Jabar, A. (in progress). *Validity and utility of data sources for a prevention-oriented Violence, Injury and Trauma Observatory in urban Cape Town, South Africa*. Doctoral dissertation, University of Cape Town, Cape Town, South Africa. Committee member.

Rothstein, S. J. (2020). *Determining when burglaries occur: Are burglary alarm occurrence times a valid proxy when studying burglaries?* Doctoral dissertation, Texas State University, San Marcos, TX. Committee member.

Smith, B. (ABD). *Offender decision-making: The influence of drugs and alcohol*. Doctoral dissertation, Texas State University, San Marcos, TX. Supervisor.

Sisak, T. J. (2016). *Patterns in geospatial behavior during the preparatory phase of terrorist attacks*. Doctoral dissertation, Henley-Putnam University, San Jose, CA. Committee member.

Adams, W. (2015). *Geographic patterns of motor vehicle theft in Houston, Texas*. Doctoral dissertation, Texas State University, San Marcos, TX. Committee member.

Caballero, M. (2015). *The combined effect of facilities on the spatial distribution of street robbery: A conjunctive analysis*. Master's thesis, Texas State University, San Marcos, TX. Committee member.

Kringen, J. A. (2014). *Validating a Bayesian model for linking serial crimes through simulation*. Doctoral dissertation, Texas State University, San Marcos, TX. Supervisor.

Engeling, S. J. (2013). *Investigative decision-making: What factors contribute to detectives' decisions to arrest?* Master's thesis, Texas State University, San Marcos, TX. Committee member.

Pearce, M. (2013). *An awkward silence: Missing and murdered vulnerable women and the Canadian justice system*. Doctorate of law thesis, University of Ottawa, Ottawa, ON. External examiner.

Bailey, J. (2011). *A global survey of transnational criminal entities and international law enforcement organizations' interdiction against human trafficking*. Master's thesis, Texas State University, San Marcos, TX. Committee member.

Hom, P. A. (2010). *Examining the reliability of confessions*. Master's thesis, Texas State University, San Marcos, TX. Committee member.

Eagan, M. (2007). *Crime analysis of motor vehicle burglaries on two central Texas university campuses*. Master's professional paper, Texas State University, San Marcos, TX. Committee member.

McCarthy, T. (2007). *The utility of* modus operandi*: Identifying burglars from how, why, where and when they commit their offences*. Doctoral thesis, Charles Sturt University, Wagga Wagga, NSW, Australia. External examiner.

Beauregard, E. (2005). *Processus de prédation des agresseurs sexuels sériels: Une approche du choix rationnel*. Doctoral dissertation, Université de Montréal, Montréal, QC. Committee member.

Jenion, M. L. (2003). *A multi-level analysis of graffiti: The City of Surrey's "VISION" tag*. Master's thesis, Simon Fraser University, Burnaby, BC. Committee member.

Kocsis, R. N. (2000*). The development of criminal psychological profiling techniques*. Doctoral dissertation, The University of New England, Armidale, Australia. External examiner.

Buckley, J. B. (1996). *Public transit and crime: A routine activities/ecological approach*. Master's thesis, Simon Fraser University, Burnaby, BC. External examiner.

D. Courses Prepared and Curriculum Development:

*Cold Case Investigations,* Texas State University

*Investigations,* Texas State University

*Environmental Criminology,* Texas State University

*Geographic Profiling Analysis I: The Geography of Crime,* Texas State University

*Geographic Profiling Analysis II: Rigel Analyst,* Texas State University

*Serial Murder,* Texas State University

*Forensic Behavioural Science,* British Columbia Institute of Technology

*Phenomenon of Serial Murder,* Simon Fraser University

*Urban Crime, Municipal Policing: Planning Issues in the 1990s*, Centre for Human Settlements/ School of Community and Regional Planning, University of British Columbia

*Police Studies Series*, Simon Fraser University and Justice Institute of British Columbia

*Problem-Oriented Policing Program*, Justice Institute of British Columbia

*Introduction to Policing (distance learning course)*, Simon Fraser University

## III. Scholarly/Creative

A. Works in Print (including works accepted, forthcoming, in press)

1. Books

a. Scholarly Monographs:

Rossmo, D. K. (2025). *Geographic profiling* (2nd ed.). New York: Routledge.

Estaville, L. E., Egan, K., & Rossmo, D. K. (2013). *Texas crime atlas*. San Marcos, TX: Texas State Center for the Study of the Southwest.

Rossmo, D. K. (2009). *Criminal investigative failures.* Boca Raton, FL: Taylor & Francis.

Rossmo, D. K. (2007). *Geographic profiling* (M. Lee, Trans.). Beijing: Chinese Public Security University Press. (Original work published 2000).

Rossmo, D. K. (2002). *Geographic profiling* (S. Watanabe, K. Watanabe, M. Suzuki, & T. Shimada, Trans.). Kyoto: Kitaohji Shobo. (Original work published 2000).

Rossmo, D. K. (2000). *Geographic profiling*. Boca Raton, FL: CRC Press.

d. Chapters in Books:

Brimbal, L., Severino, M., Jones, A. M., & Rossmo, D. K. (2026). Improving communication skills in patrol officers: A training study of evidence-based interviewing. In J. Iwama & S. Hill (Eds.), *Enhancing police research partnerships: A path to actionable findings and community trust* (pp. 36–52). National Policing Institute.

Rossmo, D. K. (2024). Geographic profiling in murder investigations. In C. Allsop & S. Pike (Eds.), *The Routledge international handbook of homicide investigation* (pp. 224-238). Abingdon, Oxfordshire: Routledge.

Rossmo, D. K., & Summers, L. (2021). Bentham and the philosophical nature of preventive policing. In S. Jacques & P. Schofield (Eds.), *Jeremy Bentham on police: The unknown story and what it means for criminology* (pp. 229-232). London: UCL Press.

Rossmo, D. K. (2021). Sexual offense investigations: Rethinking the gateway to the criminal justice system. In N. Deslauriers-Varin & C. Bennell (Eds.), *Criminal investigations of sexual offenses: Techniques and challenges* (pp. 255-260). New York: Springer.

Rossmo, D. K. (2019). Measuring the mind of a murderer: Psychometrics and crime. In B.-N. Tiffon, *Practical-criminological atlas of forensic psychometrics (Volume I): Murders* (pp. 13-17). Preface of honor. Barcelona: Editorial Jurídica Sepin.

Also published as: Rossmo, D. K. (2019). Midiendo la mente de un asesino: Psicometría y Crimen (D. I. Phillips, Trans.). In B.-N. Tiffon, *Atlas práctico-criminológico de psicometría forense (Volumen I): Asesinatos* (pp. 19-24). Prefacio de honor. Barcelona: Editorial Jurídica Sepin.

Rossmo, D. K. (2018). Geoprofiling serial sex murder. In J. Proulx, E. Beauregard, A. J. Carter, A. Mokros, R. Darjee, & J. James (Eds.), *Routledge international handbook of sexual homicide studies* (pp. 544-561). Abingdon, Oxfordshire: Routledge.

Rossmo, D. K. (2018). Geoprofiling terrorism. In G. Bruinsma & S. Johnson (Eds.), *The Oxford handbook of environmental criminology* (pp. 801-820). Oxford: Oxford University Press.

Rossmo, D. K. (2017). Geographic profiling in cold cases. In R. H. Walton (Ed.), *Cold case homicides: Practical investigative techniques* (2nd ed.) (pp. 559-582). Boca Raton, FL: CRC Press.

Rossmo, D. K., & Rombouts, S. (2017). Geographic profiling. In R. Wortley & M. Townsley (Eds.), *Environmental criminology and crime analysis* (2nd ed.) (pp. 162-179). Abingdon, Oxfordshire: Routledge.

Rossmo, D. K. (2017). Sexual homicide: An exemplar horror crime. In E. Beauregard & M. Martineau, *The sexual murderer: Offender behaviour and implications for practice* (pp. xvii-xviii). Abingdon, Oxfordshire: Routledge.

Rossmo, D. K. (2015). "Rounding up twice the usual number of suspects." In M. Maltz & S. K. Rice (Eds.), *Envisioning criminology: Researchers on research as a process of discovery* (pp. 253-260). New York: Springer.

Rossmo, D. K., & Summers, L. (2015). Routine activity theory in crime investigation. In M. A. Andresen & G. Farrell (Eds.), *The criminal act: The role and influence of routine activity theory* (pp. 19-32). Basingstoke, Hampshire: Palgrave Macmillan.

Summers, L., & Rossmo, D. K. (2015). Aplicaciones prácticas de la teoría de las actividades rutinarias a la investigación criminal. In F. Miró Llinares & J. R. Agustina Sanllehi (Eds.), *Crimen, sociedad, vida: Un homenaje a Marcus Felson* (pp. 173-188). Madrid: Dykinson.

Rossmo, D. K. (2014). Geographic profiling in cold case investigations. In R. Walton (Ed.), *Practical cold case homicide investigations procedure manual* (pp. 303-304). Boca Raton, FL: CRC Press.

Rossmo, D. K. (2013). Geographic profiling. In G. Bruinsma & D. L. Weisburd (Eds.), *Encyclopedia of criminology and criminal justice* (pp. 1934-1942). New York: Springer.

Beauregard, E., Rossmo, D. K., & Proulx, J. (2011). A descriptive model of the hunting process of serial sex offenders: A rational choice approach. In M. Natarajan (Ed.), *Crime opportunity theories: Routine activity, rational choice and their variants*. Surrey, UK: Ashgate.

Rossmo, D. K., Lu, Y., & Fang, T. (2011). Spatial-temporal crime paths. In M. A. Andresen & J. B. Kinney (Eds.), *Patterns, prevention, and geometry of crime* (pp. 16-42). London: Routledge.

Rossmo, D. K. (2009). Geographic profiling in serial rape investigations. In R. R. Hazelwood & A. W. Burgess (Eds.), *Practical aspects of rape investigation: A multidisciplinary approach* (4th ed.) (pp. 139-169). Boca Raton, FL: CRC Press.

Beauregard, E., & Rossmo, D. K. (2008). Geographic profiling and analysis of the hunting process used by serial sex offenders. In M. St-Yves & M. Tanguay (Eds.), *The psychology of criminal investigations: The search for the truth* (pp. 529-554) (J. Miller, Trans.). Toronto: Carswell. (Original work published 2007).

Rossmo, D. K. (2008). Geographic profiling. In M. Strano (Ed.), Manuale di investigazione criminale (pp. 407-417). Rome: International Crime Analysis Association.

Rossmo, D. K. (2008). Place, space, and police investigations: Hunting serial violent criminals. In D. V. Canter & D. Youngs (Eds.), *Principles of geographical offender profiling* (pp. 149-163). Aldershot, Hampshire: Ashgate Publishing.

Rossmo, D. K., & Rombouts, S. (2008). Geographic profiling. In R. Wortley & L. Mazerolle (Eds.), *Environmental criminology and crime analysis* (pp. 136-149). Cullompton, Devon: Willan Publishing.

Rossmo, D. K., & Velarde, L. (2008). Geographic profiling analysis: Principles, methods, and applications. In S. Chainey & L. Tompson (Eds.), *Crime mapping case studies: Practice and research* (pp. 35-43). Chichester: John Wiley & Sons.

Rossmo, D. K. (2011, March). *Criminal investigative failures in the Missing Women/Pig Farm Serial Murder Case*. Paper presented at the meeting of the Academy of Criminal Justice Science, Toronto, ON.

Rossmo, D. K. (2011, February). *An analysis of the criminal investigative failure of the Missing Women/Pig Farm Serial Murder Case*. Paper presented at the conference of the Western Society of Criminology, Vancouver, BC.

Rossmo, D. K. (2010, November). *The deconstruction of a crime journey*. Paper presented at the meeting of the American Society of Criminology, San Francisco, CA.

Rossmo, D. K. (2010, October). *Criminal investigative failures and the Missing Women/Pig Farm serial murder case*. Paper presented at the meeting of the Southwestern Association of Criminal Justice, Little Rock, AR.

Rossmo, D. K. (2010, July). *Geographic profiling: Border security and counterterrorism*. Paper presented at the post-ECCA Conference, Brisbane, Australia.

Rossmo, D. K. (2010, July). *Military applications of environmental criminology and crime analysis*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Brisbane, Australia.

Rossmo, D. K. (2010, June). *The Chandra Levy Case: A failure in homicide investigation*. Paper presented at the meeting of the Homicide Research Working Group, Baltimore, MD.

Fang, T., Lu, Y., Rossmo, D. K., Blair, P. (2010, April). *Recidivism route analysis with GPS data: A case study*. Paper presented at the meeting of the Association of American Geographers, Washington, DC.

Rossmo, D. K. (2009, November). *Probability errors in criminal investigative failures*. Paper presented at the meeting of the American Society of Criminology, Philadelphia, PA.

Rossmo, D. K., & Carreon, J. (2009, October). *Geospatial patterns of reported cryptid sightings in East Texas*. Paper presented at the meeting of the Southwestern Association of Criminal Justice, Laredo, TX.

Rossmo, D. K., & Harries, K. (2009, August). *The geospatial structure of terrorist cells*. Paper presented at the NIJ Crime Mapping Research Conference, New Orleans, LA.

Rossmo, D. K., Lu, Y., & Blair, J. P. (2009, August). *An analysis of criminal search paths using GPS track data*. Paper presented at the NIJ Crime Mapping Research Conference, New Orleans, LA.

Rossmo, D. K. (2009, July). *Criminal hunting paths – An analysis of offender GPS track data*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Brasilia, Brazil.

Rossmo, D. K. (2009, July). *Geographic profiling*. Paper presented at the pre-ECCA Conference, Brasilia, Brazil.

Rossmo, D. K. (2009, March). *Criminal investigative failures*. Paper presented at the meeting of the Academy of Criminal Justice Sciences, Boston, MA.

Rossmo, D. K. (2009, February). *The geospatial structure of urban terrorist cells*. Paper presented at the conference of the Western Society of Criminology, San Diego, CA.

Rossmo, D. K. (2008, November). *Criminal investigative failures*. Paper presented at the meeting of the American Society of Criminology, St. Louis, MO.

Rossmo, D. K. (2008, October). *Geospatial patterns of terrorist cells*. Paper presented at the meeting of the Southwestern Association of Criminal Justice, Denver, CO.

Rossmo, D. K., Harries, K., McGarrell, E., & Thurman, Q. (2008, July). *The geospatial structure of terrorist cells*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Anchorage, AK.

Rossmo, D. K., Harries, K., McGarrell, E., Teymur, S., & Thurman, Q. (2008, March). *The geospatial structure of terrorist cells*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Izmir, Turkey.

Rossmo, D. K., Pollock, J., & Blair, J. P. (2008, March). *Criminal hunting paths: An analysis of spatial behavior of recidivists*. Paper presented at the meeting of the Academy of Criminal Justice Sciences, Cincinnati, OH.

Rossmo, D. K., & Pagaling-Hagan, S. (2008, February). *The Zodiac Killer Case: Historic profiling of an unsolved serial murder mystery*. Paper presented at the meeting of the Western Society of Criminology, Sacramento, CA.

Rossmo, D. K., & Thurman, Q. C. (2007, October). *The geospatial structure of terrorism*. Paper presented at the meeting of the Southwestern Academy of Criminal Justice, Corpus Christi, TX.

Rossmo, D. K. (2007, July). *Using geographic profiling for volume crime detection*. Paper presented at the pre-ECCA Conference, London, UK.

Rossmo, D. K., Hammerschlag, N., & Martin, R. A. (2007, July). *Environmental criminology and optimal foraging models: Spatial analysis and geographic profiling of white shark predation*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, London, UK.

Rossmo, D. K. (2007, June). *Geographic profiling of stranger murder*. Paper presented at the International Congress on Law and Mental Health, Padua, Italy.

Rossmo, D. K., Harries, K., McGarrell, E., & Thurman, Q. C. (2007, June). *The geography of terrorist attacks in Turkey*. Paper presented at the Conference on Democracy and Global Security, Istanbul, Turkey.

Rossmo, D. K. (2007, May). *Geographic profiling: Recent developments in property crime investigation*. Paper presented at UK National Crime Mapping Conference, London, UK.

Rossmo, D. K. (2007, April). *Geographic patterns of illegal crossings of the southern U.S. border*. Paper presented at the Symposium on Illegal Immigration, Crime, and Public Policy, Phoenix, AZ.

Rossmo, D. K. (2007, March). *The error in error distance: Some conceptual and analytic problems in crime mapping*. Paper presented at the NIJ Crime Mapping Research Conference, Pittsburgh, PA.

Rossmo, D. K. (2007, March). *Illegal border crossings by American citizens*. Paper presented at the NIJ Crime Mapping Research Conference, Pittsburgh, PA.

Rossmo, D. K., Thurman, Q. C., & Jamieson, J. D. (2007, March). *Border control policy: Population, permeability, and displacement*. Paper presented at the meeting of the Academy of Criminal Justice Sciences, Seattle, WA.

Schmitz, P. M. U., Rossmo, D. K., de Jong, T., & Cooper, A. (2007, March). *Determining criminal activity space using mobile phone technology*. Paper presented at the NIJ Crime Mapping Research Conference, Pittsburgh, PA.

Rossmo, D. K. (2007, February). *A meta-analysis of journey-to-crime research*. Paper presented at the conference of the Western Society of Criminology, Scottsdale, AZ.

Rossmo, D. K. (2006, November). *Geographic patterns and profiling of illegal crossings of the southern U.S. border*. Paper presented at the meeting of the American Society of Criminology, Los Angeles, CA.

Martin, R. A., Rossmo, D. K., & Hammerschlag, N. (2006, July). *Geographic profiling of white shark predation*. Paper presented at the meeting of the American Elasmobranch Association, New Orleans, LA.

Rossmo, D. K., Thurman, Q. C., & Jamieson, J. D. (2006, July). *Geographic profiling of illegal land border crossings: Final results*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Vancouver, BC.

Rossmo, D. K. (2006, February). *Criminal investigative failures*. Keynote luncheon speech, Western Society of Criminology, Seattle, WA.

Rossmo, D. K. (2006, February). *Illegal border crossing population estimation*. Paper presented at the conference of the Western Society of Criminology, Seattle, WA.

Beauregard, E., Proulx, J., & Rossmo, D. K. (2005, December). *An investigation of scripts of the hunting process in serial sex offenders: Implications for geographic profiling*. Paper presented at the meeting of the 8th International Investigative Psychology Seminar, London, UK.

Beauregard, E., Leclerc, B., Rossmo, K., & Proulx, J. (2005, November). *A script analysis of patterns in the hunting process of serial sex offenders*. Paper presented at the meeting of the American Society of Criminology, Toronto, ON.

Rossmo, D. K. (2005, November). *A journey-to-crime meta-analysis*. Paper presented at the meeting of the American Society of Criminology, Toronto, ON.

Beauregard, E., Rossmo, D. K., & Proulx, J. (2005, October). *A descriptive model of the hunting strategies of serial sex offenders: A rational choice approach* (*Modèle descriptif des tactiques de chasse des agresseurs sexuels sériels: Une approche de choix rationnel*). Paper presented at the 3rd International Francophone Meeting on Sexual Aggression, October, Hull, QC.

Rossmo, D. K., & Thurman, Q. C. (2005, September). *Geographic patterns and profiling of illegal land border crossings*. Paper presented at the Crime Mapping Research Conference, Savannah, GA.

Rossmo, D. K., Thurman, Q. C., & Jamieson, J. D. (2005, July). *Geographic patterns and profiling of illegal land border crossings*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Santiago, Chile.

Rossmo, D. K., & Thurman, Q. C. (2005, June). *Geographic patterns and profiling of illegal land border crossings*. Paper presented at the Conference on Democracy and Global Security, Istanbul, Turkey.

Rossmo, D. K. (2005, March). *New developments in geographical profiling*. Paper presented at The Role of Psychology in Criminal Investigation – International Conference, Rome, Italy.

Rossmo, D. K., Jamieson, J. D., & Thurman, Q. C. (2005, February). *Geographic patterns and profiling of illegal land border crossings*. Paper presented at the conference of the Western Society of Criminology, Honolulu, HI.

Quinet, K., & Rossmo, D. K. (2004, November). *Estimating missing persons as serial murder victims*. Paper presented at the meeting of the American Society of Criminology, Atlanta, GA.

Rossmo, D. K., & Leahy, S. (2004, November). *Using research to assist the police investigation of serious crime*. Paper presented at the meeting of the American Society of Criminology, Atlanta, GA.

Rossmo, D. K., & Quinet, K. (2004, November). *Spatial and temporal patterns of serial murder in the United States*. Paper presented at the meeting of the American Society of Criminology, Atlanta, GA.

Rossmo, D. K., Thurman, Q. C., & Jamieson, J. D. (2004, October). *Geographic patterns and profiling of illegal crossings of the Texas border*. Paper presented at the meeting of the Southwestern Academy of Criminal Justice, Houston, TX.

Rossmo, D. K. (2004, April). *Criminal investigative failures*. Paper presented at the NIJ Crime Mapping Research Conference, Boston, MA.

Rossmo, D. K. (2004, March). *The geo-demographics of stranger rape*. Paper presented at the meeting of the Academy of Criminal Justice Sciences, Las Vegas, NV.

Rossmo, D. K. (2004, February). *The who and where of stranger rape: Using geo-demographics in offender profiling*. Paper presented at the conference of the Western Society of Criminology, Long Beach, CA.

Rossmo, D. K. (2003, August). *Geographic profiling of predatory violent and sexual crime*. Paper presented at the XIII World Congress of the International Society for Criminology, Rio de Janeiro, Brazil.

Rossmo, D. K. (2003, June). *Some reflections on the journey to crime*. Paper presented at the Seminar on Environmental Criminology and Crime Analysis, Cincinnati, OH.

Rossmo, D. K. (2003, February). *Stealth predator early warning methods updated: The Pig Farm serial murder case*. Paper presented at the conference of the Western Society of Criminology, Vancouver, BC.

Rossmo, D. K. (2002, December). *Geographic profiling*. Paper presented at the National Conference of State Legislatures, Washington, DC.

Rossmo, D. K. (2002, November). *Stranger rape and geo-demographics*. Paper presented at the meeting of the American Society of Criminology, Chicago, IL.

Rossmo, D. K. (2001, November). *Evaluation of geographic profiling search strategies*. Paper presented at the meeting of the American Society of Criminology, Atlanta, GA.

Rossmo, D. K. (2001, June). *An empirical evaluation of the geographic profiling program*. Paper presented at the International Seminar on Environmental Criminology and Crime Analysis, Liverpool, UK.

Rossmo, D. K. (2001, February). *Beyond "Round up the usual suspects": Geographic profiling, suspect prioritization, and forensic science*. Paper presented at the meeting of the American Academy of Forensic Sciences, Seattle, WA.

Rossmo, D. K. (2001, February). *Geographic profiling, crime location sets, and child murder*. Paper presented at the conference of the Western Society of Criminology, Portland, OR.

Cooper, A. K., Schmitz, P. M. U., Byleveld, P., & Rossmo, D. K. (2000, December). *Using* GIS *and digital aerial photography to assist in the conviction of a serial killer*. Paper presented at the meeting of the Crime Mapping Research Center, San Diego, CA.

Rossmo, D. K. (2000, November). *Routine activities and foraging theory: The influence of motivation on size of criminal hunting area*. Paper presented at the meeting of the American Society of Criminology, San Francisco, CA.

Rossmo, D. K., Davies, A., & Warraker, B. (2000, July). *Beyond "Round up the usual suspects": Behavioural science, physical evidence, and suspect prioritization in Operation Lynx*. Paper presented at the meeting of the Forensic Science Services, York, UK.

Rossmo, D. K. (2000, June). *Geographic profiling and crime parsing*. Paper presented at the International Seminar on Environmental Criminology and Crime Analysis, Perth, Australia.

Boyd, N., & Rossmo, D. K. (2000, February). *A wrongful murder conviction: The relevance of geographic profiling*. Paper presented at the conference of the Western Society of Criminology, Kona, HI.

Rossmo, D. K. (2000, February). *Charting a course through graduate school*. Paper presented at the conference of the Western Society of Criminology, Kona, HI.

Rossmo, D. K. (1999, December). *Environmental criminology: Criminal investigative praxis*. Paper presented at the meeting of the Crime Mapping Research Center, Orlando, FL.

Moore, B. J., & Rossmo, D. K. (1999, November). *Geographic profiling*. Paper presented at the meeting of the American Society of Criminology, Toronto, ON.

Rossmo, D. K. (1999, June). *Geographic profiling in cases of extended serial rape*. Paper presented at the International Seminar on Environmental Criminology and Crime Analysis, Pretoria, South Africa.

Rossmo, D. K. (1999, February). *Clues in crime maps: The Manhattan East Side Rapist*. Paper presented at the conference of the Western Society of Criminology, Oakland, CA.

Rossmo, D. K. (1998, December). *Case studies in geographic profiling*. Paper presented at the meeting of the Crime Mapping Research Center, Arlington, VA.

Rossmo, D. K., & Baeza, J. J. (1998, November). *The Upper East Side Serial Rapist: A case study in geographic profiling*. Paper presented at the meeting of the American Society of Criminology, Washington, DC.

Rossmo, D. K. (1998, June). *Estimating criminal population sizes with capture-recapture analysis*. Paper presented at the International Seminar on Environmental Criminology and Crime Analysis, Barcelona, Spain.

Rossmo, D. K. (1998, February). *Criminal predators, victims, and mean streets*. Paper presented at the conference of the Western Society of Criminology, Newport Beach, CA.

Rossmo, D. K. (1997, November). *"Murder Alley": The ecology of dangerous places*. Paper presented at the meeting of the American Society of Criminology, San Diego, CA.

Rossmo, D. K. (1997, November). *Rigel: The new geographic profiling software*. Paper presented at the meeting of the American Society of Criminology, San Diego, CA.

Rossmo, D. K. (1997, October). *Geographic profiling*. Paper presented at the meeting of the Crime Mapping Research Center, Denver, CO.

Rossmo, D. K. (1997, June). *GIS and police investigation: From data to knowledge*. Paper presented at the International Seminar on Environmental Criminology and Crime Analysis, Oslo, Norway.

Rossmo, D. K. (1997, February). Paper presented at the conference of the Western Society of Criminology, Honolulu, HI.

Rossmo, D. K. (1996, November). *Spatial patterns of journeys to crime*. Paper presented at the meeting of the American Society of Criminology, Chicago, IL.

Rossmo, D. K. (1996, September). *Geographic profiling*. Paper presented at the meeting of the International Investigative Psychology Seminar, Liverpool, UK.

Rossmo, D. K. (1996, July). *Probability surfaces and the geography profiling of serial killers.* Paper presented at the Third International Conference on Forensic Statistics, Edinburgh, UK.

Rossmo, D. K. (1996, February). *Learning, displacement, and the geography of serial murder*. Paper presented at the conference of the Western Society of Criminology, Sonoma, CA.

Rossmo, D. K. (1995, November). *Raptors, stalkers, and trappers: Hunting styles of serial killers*. Paper presented at the meeting of the American Society of Criminology, Boston, MA.

Rossmo, D. K. (1990, November). *The future of policing*. Police: Challenge 2000 Conference, Vancouver, BC.

Rossmo, D. K. (1990, November). *Fugitive migration patterns: An application of the destination-specific gravity model*. Paper presented at the meeting of the American Society of Criminology, Baltimore, MD.

Rossmo, D. K. (1990, March). *The impact of space on urban crime: Vancouver's Skid Row*. Paper presented at the meeting of the Canadian Association of Geographers, Vancouver, BC.

2. Invited Talks, Lectures, and Presentations (post-Texas State University employment only):

*Geographic profiling. The Rainey Street Ripper*. FBI BAU-5 (Stafford, VA; August 2026).

*Criminal investigative failures*. Cold Case Symposium (Helen, GA; July 2025).

*Criminal investigative failures*. Canadian Police College Unsolved & Historical Death Investigation Course (Ottawa, ON; June 2026).

*Criminal investigative failures: Cognitive biases, organizational traps, and probability errors*. 20th Actual Innocence, Texas A&M University School of Law (Fort Worth, TX; May 2026).

*Causes and prevention of criminal investigative failures: Looking back to face forward*. C.A.P.E. 2026 Conference (New Westminster, BC; May 2026).

*"The Rainey Street Ripper."* Flightless Bird Live Show (Austin, TX; April 2026).

*Austin Yogurt Shop Murders: A Cold Case Investigation*. University Lecture, Texas State University (San Marcos, TX; March 2026).

*Criminal investigative failur*es. Carey Law School, University of Pennsylvania (February 2026).

*Hunting the Rainey Street Ripper: Apophenia and crime linkage illusions*. Behavioral Analysis Professional Development Webinar Series (December 2025).

*Hunting the Rainey Street Ripper: Apophenia and crime linkage illusions*. University Lecture, Texas State University (San Marcos, TX; October 2025).

*Geographic profiling*. WorkSafeBC (Richmond, BC; July 2025).

*Criminal investigative failures*. Canadian Police College Unsolved & Historical Death Investigation Course (Ottawa, ON; June 2025).

People's Public Security University of China (Beijing, China; October 2024).

*Geographic profiling*. Brock University (St. Catharines, ON; October 2024).

*Geographic profiling analysis*. Australian Federal Police (Canberra, Australia; August 2024).

*International Association of Crime Analysts Conference Preview Podcast*. Cocktails & Crime Analysis (August 2024).

*Criminal investigative failures*. Canadian Police College Unsolved & Historical Death Investigation Course (Ottawa, ON; June 2024).

"*Fireside chat."* Marine Corps War College (Quantico, VA; November 2023).

*Geographic profiling: No body homicide*. Pennsylvania State Police Advanced Homicide Investigation Symposium (Middletown, PA; June 2023).

*Geographic profiling*. Wayne State College (Wayne, NE; February 2023).

*Linkage analysis*. ICIAF Behavioral Analysis Professional Development Webinar (May 2022).

*Criminal profiling*. University Lecture, Texas State University (San Marcos, TX; April 2022).

*Geographic profiling*. European Crime Analysis Conference 2022 (Copenhagen, Denmark; April 2022).

*Criminal investigative failures*. Gangs & Guns 2022 Symposium (Burnaby, BC; February 2022).

*Geographic profiling.* Texas State University (San Marcos, TX; November 2021).

*Missing persons: Reverend Bayes, GIS, and search optimization*. University Lecture, Texas State University (San Marcos, TX; October 2021).

*Big Ideas* TXST Podcast (November 2021).

*The Criminologist*. Coptales + Cocktails, Law & Crime, Apple Podcasts (October 2021).

*Geographic profiling*. ICIAF Behavioral Analysis Professional Development Webinar (July 2021).

*Academic partnerships*. 4th Annual International Police Judo Conference (Burnaby, BC; April 2021).

*Investigative failures*. 4th Annual International Police Judo Conference (Burnaby, BC; April 2021).

*The Oak Beach Drifter*. Long Island Serial Killer (LISK) Podcast (Season #2, Episode 4, April 2021).

*Geographic profiling.* Rotary Club (Hobbs, NM; February 2021).

*Understudy training*. International Criminal Investigative Analysis Fellowship (San Marcos, TX; February 2021).

Frequency Podcast Network – Island Crime, Gone Boys (Episode #3, February 2021).

Crime Waves Podcast – Forty-Nine: Criminology of Robert Pickton (Season 3, November 2020).

CrimeScience Podcast – 10-28-10 Kim Rossmo (October 2020).

*Geographic profiling*. Mayor of London Office for Policing and Crime (MOPAC) (London, UK; March 2020).

*The fallible detective: Deduction and bias in police investigations*. John Jay College of Criminal Justice Guggenheim Symposium on Crime in America (New York, NY; February 2020).

*Geographic profiling.* Texas State University (San Marcos, TX; November 2019).

*Geographic profiling*. National SAKI Analyst Group (October 2019).

*Criminal investigative failures: Problems and causes*. Simon Fraser University (Vancouver, BC; October 2019).

*Criminal investigative failures: Structural and systemic causes*. Queensland Police Service (Brisbane, Australia; September 2019).

*Criminal investigative failures: Structural and systemic causes*. Griffith University (Brisbane, Australia; September 2019).

*Confirmation bias and thinking errors in police investigations*. Texas Criminal Defense Lawyers Association Actual Innocence Seminar (Austin, TX; August 2019).

*Geographic profiling*. Central Police University (Taipei, Taiwan; June 2019).

Dr. IPIP Podcast – *Prof. Kim Rossmo on Geographic Profiling* (May 2019).

*Criminal investigative failures*. European Crime Analysis Conference 2019 (Copenhagen, Denmark; March 2019).

*Geographic profiling*. European Crime Analysis Conference 2019 (Copenhagen, Denmark; March 2019).

*Criminal investigative failures*. Maricopa County Attorney's Office (Phoenix, AZ; February 2019).

*Geographic profiling*. Maricopa County Attorney's Office (Phoenix, AZ; February 2019).

*"Just the facts, ma'am." Evidence, logic, and bias in criminal investigations*. Paul Tappan Award Keynote Presentation, Western Society of Criminology (Honolulu, HI; February 2019).

*Deconstructing criminal investigative failures.* Texas State University (San Marcos, TX; November 2018).

*Geographic profiling*. Vancouver Police Judo Association Fundraiser (Vancouver, BC; October 2018).

*Deconstructing criminal investigative failures: Understanding how wrongful convictions occur*. Simon Fraser University/Ting Forum on Justice Policy (Vancouver, BC; October 2018).

*Jack the Ripper: Patterns and confusion.* The Houston Museum of Natural Science (Houston, TX; September 2018).

*Geographic profiling.* Sisters in Crime, Heart of Texas Chapter (Austin, TX; September 2018).

*Geographic profiling: Serial killers, terrorists, and sharks*. International Conference on Crime Geography and Crime Analysis (Guangzhou, China; July 2018).

*Wrongful convictions: Thinking errors and logic problems*. Dallas County District Attorney's Office (Dallas, TX; May 2018).

*Comics and crime: Villains, vigilantes and vice. Vigilantism and criminal justice in comics.* Common Experience Lecture, Texas State University (San Marcos, TX; April 2018).

*Criminal investigative failures*. New Orleans Police Department Commanders' Symposium: Best Practices in Major Incident Investigation (New Orleans, LA; March 2018).

Reducing Crime Podcast – #04 Kim Rossmo (February 2018).

*Dangers of finding (and not finding) life on other planets*. University Lecture, Texas State University (San Marcos, TX; April 2017).

Northeast Wisconsin Technical College Homicide Conference (Green Bay, WI; April 2017).

Department of Biology, Texas State University (San Marcos, TX; November 2016).

The Anti Graffiti Symposium (Coquitlam, BC; October 2016).

Texas Criminal Defense Lawyers Association Annual Forensics Seminar (Houston, TX; October 2016).

People's Public Security University of China (Beijing, China; September 2016).

*Criminal investigative failures: Enquiry, evidence, and errors*. Symposium on Wrongful Convictions and Criminal Investigative Failures, Ting Forum on Justice Policy (Vancouver, BC; April 2016).

Texas A&M International University (Laredo, TX; April 2016).

8th Amendment Project Death Penalty Conference (New Orleans, LA; October 2015).

Hays County Sheriff's Citizen's Alumni Association (San Marcos, TX; September 2015).

Policia de Investigaciones, Santa Fe Province (Rosario, Argentina; September 2015).

XXVIII National Congress of General Attorneys, keynote speaker (Santa Fe, Argentina; September 2015).

International Association of Chiefs of Police (IACP), Police Investigative Operations Committee meeting (Miami Beach, FL; June 2015).

Texas State Retired Faculty & Staff Association (San Marcos, TX; June 2015).

San Marcos Police Department Award Ceremonies (San Marcos, TX; May 2015).

Indiana Public Defender Council Forensics Seminar (Indianapolis, IN; December 2014).

Arizona Homicide Investigator's Association Conference (Las Vegas, NV; October 2014).

Rossmo, D. K., & Le Comber, S. (2014, June). *The serial killer formula*. The Times Cheltenham Science Festival, Cheltenham, UK.

*True crime, true detectives, real failures: What can go wrong in a criminal investigation*. Mary Thomas Marshall University Lecture, Sul Ross State University (Alpine, TX; April 2014).

*The Camm triple murder case: Logic versus rhetoric*. University Lecture, Texas State University (San Marcos, TX; April 2014).

California State University, Long Beach Foundation (Irvine, CA; 2013, 2012, 2008, 2007, 2006, 2005).

Vancouver Police Department, Major Crimes Section (Vancouver, BC; February 2010).

Minnesota Department of Public Safety, Bureau of Criminal Apprehension (Minneapolis, MN; January 2010).

Police Academy, Justice Institute of British Columbia (New Westminster, BC; October 2009).

Simon Fraser University, School of Criminology (Burnaby, BC; October 2009).

Wrongful Convictions Expert Panel, International Association of Chiefs of Police (IACP) Annual Meeting (Denver, CO; October 2009).

Association of State Criminal Investigative Agencies (Albuquerque, NM; September 2009).

American Psychological Association (APA), invited plenary speaker (Toronto, ON; August 2009).

International Association of Chiefs of Police (IACP), Police Investigative Operations Committee meeting (Pittsburg, PA; June 2009).

Texas State University (San Marcos, TX; April 2009).

Human Predator III Workshop (Edmonton, AB; January 2009).

University of Texas-Austin, Mathematics Department (Austin, TX; October 2008).

John E. Reid and Associates (Oak Brook, IL; October 2008).

California Crime and Intelligence Analysts Association (CCIAA) annual meeting (Pleasanton, CA; September 2008).

International Crime Science Conference (London, UK; July 2008).

National Summer Institute (NIS) for Statistical & GIS Analysis of Crime & Justice Data, GIS guest speaker, University of Regina (Regina, SK; June 2008).

Radford University (Radford, VA; March 2008).

*Mathematics in criminal investigations: Profiling and probability*, University of Texas-Austin, Mathematics Department, Saturday Morning Math Group (Austin, TX; December 2007).

California Association of Crime Laboratory Directors (Sacramento, CA; November 2007).

International Association of Law Enforcement Intelligence Analysts (IALEIA) Annual Meeting (Vancouver, BC; April 2007).

Georgia Bureau of Investigation (Forsyth, GA; March 2007).

Mount Royal College (Calgary, AB; February 2007).

Plano Police Department (Plano, TX; January 2007).

Los Angeles Police Department (Los Angeles, CA; December 2006).

Texas State University, Psychology Association (San Marcos, TX; April 2004, November 2006).

California Crime and Intelligence Analysis Association (CCIAA) Annual Meeting (Bakersfield, CA; October 2006).

International Association of Chiefs of Police (IACP) Annual Meeting (Boston, MA; October 2006).

Chinese Ministry of State Security University (Beijing, Hangzhou, and Shanghai, China; September 2006).

International Association of Women Police (IAWP) Conference (Saskatoon, SK; September 2006).

GIS Guest Speaker, National Summer Institute (NIS) for Statistical & GIS Analysis of Crime & Justice Data, University of Regina (Regina, SK; June 2006).

Texas GIS Forum, University of Texas (Austin, TX; May 2006).

Testified at the Commission of Inquiry Into the Wrongful Conviction of David Milgaard (Saskatoon, SK; April 2006).

Metropolitan Police Department (Washington, DC; March 2006).

Texas State University, Anthropology Department, Body Recovery Conference (San Marcos, TX; March 2006).

Geographic profiling in geospatial intelligence and homeland security: Border issues (Washington, DC; February 2006).

Geographic profiling in geospatial intelligence and homeland security: Insurgency (Washington, DC; February 2006).

Texas State University, Computer Science Department (San Marcos, TX; January 2006).

Canadian Information Processing Society (CIPS) (Edmonton, AB; November 2005).

Sterling Prize acceptance speech (Vancouver, BC; October 2005).

Presentation to the Texas Rangers in-service training course (Austin, TX; September 2005).

Invited participant for the Federal Bureau of Investigation's *Serial Murder Symposium* (San Antonio, TX; August 2005).

International Association of Chiefs of Police (IACP), Police Investigative Operations Committee meeting (Austin, TX; June 2005).

National Summer Institute (NIS) for Statistical & GIS Analysis of Crime & Justice Data, GIS guest speaker, University of Regina (Regina, SK, June 2005).

Mid-America Regional Crime Analysis Network (MARCAN) (Overland Park, KS; June 2005).

Presentation on current research interests to the faculty and graduate students of the Université de Montréal, École de criminologie (Montréal, QC; June 2005).

Grayson County College Forensic Conference (Denison, TX; April 2005).

Wichita State University (Wichita, KS; April 2005).

Army Topographical Engineering Center (TEC) (Fort Belvoir, VA; March 2005).

Cattaneo Castellanza University (Milan, Italy; March 2005).

International Crime Analysis Association Investigative Psychology Conference (Rome, Italy; March 2005).

International Crime Analysis Association Investigative Psychology Training Course (Rome, Italy; March 2005).

California Robbery Investigators Association Conference (Las Vegas, NV; February 2005).

International Association of Chiefs of Police (Los Angeles, CA; November 2004).

Police Academy, Justice Institute of British Columbia (New Westminster, BC; November 2004).

State University of New York Sullivan County Community College (Liberty, NY; November 2004).

University of Virginia Psychology Department (Charlottesville, VA; October 2004).

Arizona Association of Crime Analysts (Phoenix, AZ; September 2004).

California Crime and Intelligence Analysts Association (Sacramento, CA; September 2004).

International Criminal Investigative Analysis Fellowship (San Antonio, TX; September 2004).

Texas Association of Crime and Intelligence Analysts (El Paso, TX; August 2004).

International Association of Chiefs of Police (IACP), Police Investigative Operations Committee meeting (Monterey, CA; June 2004).

Forensics Department, British Columbia Institute of Technology (Vancouver, BC; June 2004).

Invited participant for the National Institute of Justice/Federal Bureau of Investigation/American Psychology Association meeting on *The nature and influence of intuition in law enforcement: Integration of theory and practice* (Arlington, VA; June 2004).

National Technology Alliance, Rosettex, Pentagon J3DDIO, and National Geospatial-Intelligence Agency personnel (Arlington, VA; June 2004).

The 100 Club of Central Texas banquet keynote speech (Austin, TX; May 2004).

*Stranger violent crime investigation*. TCLEOSE accredited training seminar for South Central Texas law enforcement agencies (San Marcos, TX, February 2004).

University of Texas College of Engineering (Austin, TX; February 2004).

FBI Major Crime Training Seminar (Baton Rouge, LA; December 2003).

Alberta Crown Attorney's Association Meeting (Banff, AB; September 2003).

Greater Austin Crime Commission (Austin, TX; August 2003).

3. Consultancies:

Geographic profiling assistance for major crime investigations provided to international and national police agencies (2003-present).

Interviewed by and consulted with Statistics Canada Missing Persons Data Standards (MPDS) project (2024).

Workshop on national murder investigation guidelines in Brazil. Instituto Sou da Paz, São Paulo, Brazil (2021).

Report on assumption and confirmation bias issues in the Martin accident investigation, murder trial (2020).

Office of Justice Programs (OJP) Diagnostic Center – Violent and Serious Crime Reduction Project: Killeen, Texas (2017-2018).

Report on tunnel vision and confirmation bias in the Rainsberger murder investigation, civil trial (2017).

A&E *The First 48* (2017)

A&E *The Eleven* documentary (2016).

Report on confirmation bias in the David Camm murder case, civil trial (2016).

Royal Canadian Mounted Police Multi-Disciplinary Multi-Agency Missing Persons Investigative Initiative, Chilliwack, BC (2014).

Report on confirmation bias in the David Camm murder case, criminal trial (2013).

Review of Stevens police investigation in Fredericksburg, Texas (2013).

Missing Persons Investigations report. (2012). British Columbia Missing Women Commission of Inquiry. Vancouver, BC.

Recognized by the British Columbia Missing Women Commission of Inquiry as an expert in "serial murder and criminal investigations" (2012).

Case review of the John Jerome White wrongful conviction for the Georgia Bureau of Investigation (2010).

Cold case review of the 1975 Sheryl Norris homicide for the San Marcos, Texas, Police Department (2010).

Sunalta/Scarboro Community Associations Halfway House Location Evaluation. (2007). Calgary, AB.

Zodiac Killer geographic profile. (2007). Phoenix/Paramount Pictures. San Francisco, CA.

Case review of the Benjamin LaGuer conviction for State Representative Ellen Story, House of Representatives, Commonwealth of Massachusetts (2005).

Recognized in the Superior Court of Ontario as an expert in "the geography of crime, the hunting patterns of serial offenders, and appropriate investigative strategies" (1997).

Community policing project. (1994). Policing in British Columbia Commission of Inquiry. Vancouver, BC.

Independent review of the David Milgaard murder conviction. (1992). Saskatoon, SK.

Japan-Canada comparative community policing research project. (1991). Nagoya, Japan.

Project Eclipse, criminal investigative case conference analyzing unsolved prostitute murders in Vancouver and Victoria; first such conference in Canada. (1991). Vancouver, BC.

Kelowna crime prevention research project. (1990). Kelowna, BC.

4. Workshops

*Regression Models for Time Series Analysis*. (2014). American Society of Criminology. San Francisco, CA. Attendee.

Rossmo, D. K. (2012, March). *Geographic profiling*. Workshop presented at the meeting of the Academy of Criminal Justice Science, New York, NY. Speaker

Rossmo, D. K. (2010, February). *Geographic profiling*. Workshop presented at the meeting of the Academy of Criminal Justice Science, San Diego, CA. Speaker.

*Predictive Policing Symposium*. (2009). National Institute of Justice. Los Angeles, CA. Attendee.

*Network Analysis: An Accelerated Introduction*. (2008). ICPSR. University of Michigan, Ann Arbor, MI. Attendee.

Rossmo, D. K. (2007, March). *Criminal investigative failures*. Presented at the Alpha Phi Sigma meeting, Academy of Criminal Justice Sciences, Seattle, WA. Speaker.

*Workshop on Police Intuition and Decision Making: The Nature and Influence of Intuition in Law Enforcement: Integration of Theory and Practice*. (2004). National Institute of Justice. Washington, DC. Attendee.

Rossmo, D. K. (2003, March). *Geographic profiling*. Presented at the Alpha Phi Sigma meeting, Academy of Criminal Justice Sciences, Boston, MA. Attendee.

*Workshop on the Crime Mapping Research Center*. (1997). National Institute of Justice. Washington, DC. Speaker.

5. Other Works Not in Print:

a. Works submitted or under review

Chai, A. M. M., Rossmo, D. K., & Chopin, J. (in preparation). The final resting place: Exploring factors predicting body disposal locations in homicides.

Logan, M., Rossmo, D. K., & Rossouw, Z. (submitted). Counting the uncounted: Crime clearance, the dark figure of recidivism, and the limits of official reoffending estimates.

6. Other:

Two research proposals selected for the 2021 Big Ideas fundraising priorities for Texas State University.

Consulted, interviewed, and/or showcased in numerous media and entertainment outlets, including (post-Texas State University employment only):

Wiebe, S. (2021). *Hell and gone*. Madeira Park, BC. Harbour Publishing.

Allore, J., & Pearson, P. (2020). *Wish you were here: A murdered girl, a brother's quest and the hunt for a Canadian serial killer*. Toronto: Random House Canada.

McNamara, M. (2018). *I'll be gone in the dark. One women's obsessive search for the Golden State Killer*. New York: HarperCollins Publishers.

Jarossi, R. (2017). *The hunt for the 60s Ripper*. London: Mirror Books.

Carr, C. (2016). *Surrender, New York*. New York: Random House.

Wiebe, S. (2014). *Last of the independents*. Toronto. Dundurn Press.

Crompton, L. (2010). *Sudden terror*. Bloomington, IN: AuthorHouse.

*Zodiac* movie DVD. (2007). Paramount Pictures. Geographic profile of the murders.

Criminal Minds. (2005, November). *L.D.S.K.* (Episode #6). CBS Television.

Numb3rs. (2005, January 23). *Once in a lifetime*. CBS Television.

Slade, M. (2005). *Swastika*. New York: Penguin.

Dateline. (2004). *Detective story*. NBC Television.

Gerritsen, T. (2004). *Body double*. New York: Ballantine Books.

*The Shield*. (2004).

Japanese television documentary. (2003, October).

*D.C. Sniper: 23 Days of Fear*. (2003, October). USA Network.

The Eleventh Hour. (2003, May). *Hall of Mirrors* (Episode #113). Alliance Atlantis/ CTV Television.

Patterson, J. (2003). *The big bad wolf*. New York: Warner Books.

C. Grants and Contracts

1. Funded External Grants and Contracts:

*The Mortal Tragedy: Analyzing Body Disposal Patterns in Homicide Cases*. Principal investigator (with April Chai). National Institute of Justice (NIJ) FY23 Graduate Research Fellowship, for $166,500.

*Improving Investigations and Community Relations Through the Training of Evidence-Based Interviewing Skills in Frontline Officers* (co-PI with Principal Investigator Laure Brimbal). National Institute of Justice (NIJ), for $497,783.

*Case Deconstruction of Criminal Investigative Failures*. Principal investigator. National Institute of Justice (NIJ), for $389,690.

*Offender Decision-Making: Decision Trees and Displacement*. Principal investigator. National Institute of Justice (NIJ), for $377,528.

*Military Applications of Geographic Profiling*. Principal investigator. U.S. Marine Corps, for $1,520,000 ($1,300,000 to Texas State University).

*GeoProfiling and Polyagent Prediction ($GP^3$)*. Office of Naval Research (ONR), for $660,000 ($101,250 to Texas State University).

*Criminal Hunting Paths: An Analysis of the Spatial Behavior of Recidivists*. Principal investigator. Bureau of Justice Assistance (BJA), for $149,758.

*Illegal U.S. Land Border Crossings by American Citizens*. Principal investigator. Bureau of Justice Assistance (BJA), Office of Justice Programs, for $49,588.

*Geographic Profiling in Counterterrorism #2*. Principal investigator. Intelligence Advanced Research Projects Activity (IARPA), for $179,001.

*Geographic Profiling for Military Applications*. Principal investigator. Army Topographic Engineering Center (TEC), for $455,000.

*Geographic Profiling in Counterterrorism #1*. Principal investigator. Disruptive Technology Office (DTO), for $400,048.

*Geographic Patterns and Profiling of Illegal Crossings of the Southern U.S. Border*. Principal investigator. National Institute of Justice (NIJ), Office of Science and Technology, for $250,000.

*Exploring the Geo-Demographic Relationship Between Stranger Rapists and their Offences*. Principal investigator. United Kingdom Home Office, for $108,061 (£57,108).

2. Pending External Grants and Contracts:

3. Submitted, but not Funded, External Grants and Contracts:

*"True Detective": The Characteristics and Thinking Strategies of Effective Major Crime Investigators*. Proposal submitted to the National Institute of Justice (NIJ), for $689,314 ($405,868 to Texas State University). In partnership with Temple University.

*Anti-Asian Hate Incidents: Strategies for Investigating, Reporting, and Analyzing*. Proposal submitted to the National Institute of Justice (NIJ), for $784,385.

*The Investigation Excellence Project*. Proposal submitted to the Charles Koch Foundation, for $554,551.

*Solving Crimes, Seeking Justice: National Case Closed Project*. Proposal submitted to the Bureau of Justice Assistance (BJA), for $932,580.

*Applying Geographic Profiling to Military Epidemiology and Contact Tracing during an Infectious Disease Outbreak.* Pre-proposal submitted to the Department of Defense, Defense Health Program, Peer Reviewed Medical Research Program, Investigator-Initiated Research Award for Emerging Viral Diseases and Respiratory Health. In partnership with the Naval Health Research Center, for $2,000,000 ($1,185,000 to Texas State University).

*"True Detective": The Characteristics and Strategies of Effective Major Crime Investigators*. Proposal submitted to the National Institute of Justice (NIJ). In partnership with Temple University, for $495,602 ($306,523 to Texas State University).

*The Anatomy of Criminal Evidence: Preventing Confirmation Bias and Other Thinking Errors in Police Investigations*. Proposal submitted to the Inter-American Development Bank.

*Crime Journeys, Snare Signatures, and Tailored Crime Prevention: Utilizing Spatial Investigative Analysis to Inform the Prevention of Illegal Hunting in Vietnam*. Proposal submitted to Global Wildlife Conversation. In partnership with University of Central Florida, for $58,062 ($10,000 to Texas State University).

*Applying Geographic Profiling to Military Epidemiology and COVID-19 Tracing.* Proposal submitted to the Department of Defense, Defense Health Program, Peer Reviewed Medical Research Program, Investigator-Initiated Research Award for Emerging Viral Diseases and Respiratory Health. In partnership with the Naval Health Research Center, for $2,496,426 ($1,478,906 to Texas State University).

*Geoprofiling Outbreak Origins: Spatial Augmentation of Contact Tracing.* Proposal submitted to the Department of Defense, Research Technology & Laboratory Directorate/Basic Research Office, Newton Award for Transformative Ideas during the COVID-19 Pandemic, for $50,000.

*"True Detective": Evaluating Evidence-based and Experiential Detective Training*. Proposal submitted to the National Institute of Justice (NIJ). In partnership with Temple University, for $487,940 ($315,683 to Texas State University).

*Intelligence Failures: Structural and Systemic Causes*. Proposal submitted to the Defense Advanced Research Projects Agency (DARPA), for $638,830.

*Intelligence Failures: Structural and Systemic Causes*. Abstract submitted to the Defense Advanced Research Projects Agency (DARPA), for $485,348.

*Using Mobility, Activity and Sociality to Predict Future Criminals and Future Crime Locations*. Pre-proposal and full proposal submitted to the Netherlands Organisation for Scientific Research (NWO) Open Competition Grant Application. Consultant to Netherlands Institute for the Study of Crime and Law Enforcement (NSCR), and School of Business and Economics, Vrije Universiteit Amsterdam. The pre-proposal was successful, but the full proposal was not funded.

*"True Detective": The Characteristics, Strategies, and Actions of Effective Homicide Detectives*. Proposal submitted to the National Institute of Justice (NIJ). In partnership with Temple University, for $486,047 ($286,783 to Texas State University).

*GeoProfiling Border-Crossing Points of Invasive Species*. Quad chart submitted in response to the Minority Serving Institutions STEM Research and Development Consortium (MSRDC) Request for Information for Department of Homeland Security, Science and Technology Office of University Programs (OUP), Forecasting Models for Pest Quarantine Smuggling Trends Project, for $360,000.

*Geospatial Modeling of Terrorist Threats*. White paper submitted to the Air Force Research Laboratory, for $880,000.

*Killeen Violent Crime*. Proposal submitted to the Bureau of Justice Assistance (BJA). In partnership with the Killeen Police Department, for $496,164 ($299,832 to Texas State University).

*"True Detective": The Traits, Characteristics, and Behaviors of Effective Homicide Detectives*. Proposal submitted to the National Institute of Justice (NIJ). In partnership with Temple University, for $498,027 ($280,849 to Texas State University).

*Geospatial Mapping of Arbovirus-Infected Mosquitoes and Patients to Delimit Hotspot Treatments*. BAA for Advanced and Innovative Solutions to Improve Public Health. Centers for Disease Control and Prevention (CDC). In partnership with SpringStar Inc., for $520,000.

*Geoprofiling Cyber-Attacks*. BAA for Technology Evolutions for Signal Intelligence Operations (Predictive Analytics – Behavior modeling and advanced algorithms). SPAWAR Systems Center Atlantic. In partnership with Scientific Research Corporation, for $1,800,000.

*Geoprofiling Maritime Piracy*. BAA for Technology Evolutions for Signal Intelligence Operations (Predictive Analytics – Behavior modeling and advanced algorithms). SPAWAR Systems Center Atlantic. In partnership with Scientific Research Corporation, for $2,000,000.

*Geographic Patterns of Illegal Border Crossing in Texas*. Exceptional Item Request for State Legislative Appropriation, for $2,370,000.

*Military Applications of Geographic Profiling*. FY2012 Congressional Appropriations Request, for $971,190.

*National Institute of Justice Information and Geospatial Technologies Center of Excellence*. Teaming agreement with International Biometric Group, for $100,000 to Texas State University.

*National Institute of Justice Criminal Justice Technology Information and Sensor Systems Center of Excellence*. Teaming agreement with International Biometric Group, for $100,000 to Texas State University.

*Geographic Profiling Methods as a New Spatial Tool for Targeting the Control of Infectious Diseases*. National Science Foundation under the Ecology of Infectious Diseases, for $864,538 to Texas State University.

*The Application of Geographic Crime Series Linkage Analysis to High-Volume Crime DNA Evidence*. Submitted to the National Institute of Justice (NIJ) for $192,000. Two submissions.

*The Geography of Texas Land Border Security*. Submitted to the State of Texas, for $1,180,000.

*Geospatial Crime Analysis Profiling*. Submitted to Joint Improvised Explosives Devices Defeat Organization (JIEDDO).

*Geographic Crime Series Linkage Analysis*. Concept paper accepted and proposal submitted to the National Institute of Justice (NIJ) Solicitation for Geospatial Technology, for $249,128.

*Simulated Generation of IED Geospatial Data Using Human Actors*. White paper submitted to the Office of Naval Research, for $490,000.

*Criminal Hunting Patterns: Modeling the Spatial Behavior of Recidivists*. Proposal submitted to the Bureau of Justice Assistance (BJA), Edward Byrne Memorial Discretionary Grants Program, for $149,951.

*Predictive Models for Improvised Explosive Device Countermeasures* (partner with Rice Analytics Development, St. Louis, MO). Small Business Innovation Research Program (SBIR) proposal submitted for predictive modeling and simulations tools that can be used to plan improvised explosives devices (IED) countermeasures. Acquisition Program, Joint Improvised Explosives Devices Defeat Organization (JIEDDO).

*Mapping Violent Crime Migration in the Aftermath of Hurricane Katrina*. Collaboration on a concept paper submitted to the Office of Justice Programs (OJP).

*Terrorism Target Patterns*. Quad chart submitted under the Combating Terrorism Technology Support Office (CTTSO), Technical Support Working Group (TSWG), Broad Agency Announcement, in the Investigative Support and Forensics focus area, for $250,000.

*Predictive Modeling of Mass Grave Sites*. Proposal submitted to the Social Sciences and Humanities Research Council of Canada.

*Criminal Hunting Paths: An Analysis of the Spatial Behavior of Recidivists in the Florida EMPACT Program*. Proposal submitted under the Solicitation for Crime and Justice Research, National Institute of Justice (NIJ).

*Detecting the Dynamics of Drug Offenses through Analyzing the Spatial Patterns of Drug and Property Crime in Texas* (collaborator with Principal Investigator Yongmei Lu, Geography Department). Proposal submitted under the Solicitation for Concept Papers, Drugs and Crime Research and Evaluation, National Institute of Justice (NIJ).

*Geospatial and Network Analysis of Terrorism*. Part of a proposal written with Michigan State University as lead for the Department of Homeland Security's Broad Agency Announcement for a Center of Excellence for Behavioral and Social Research on Terrorism and Counter-Terrorism. Selected as finalist but not awarded.

*Major Collaborative Research Initiative*. Social Sciences and Humanities Research Council of Canada (collaborator with Simon Fraser University's School of Criminology as lead).

*Geographic Planning Patterns of Foreign Terrorist Cells*. Proposal submitted under the Office of Research and Evaluation 2002 Solicitation for Investigator-Initiated Research National Institute of Justice (NIJ), for $298,969.

*Eyewitness Error Patterns in Vehicle License Number Identification*. Proposal submitted under the Office of Science and Technology Solicitation, National Institute of Justice (NIJ), for $298,575.

*Reports from the Field: Community Policing Innovation*. Proposal submitted under an Office of Community Oriented Policing Services Solicitation (COPS), for $499,642.

D. Fellowships, Awards, Honors:

Recognized as a Notable Alumni for the 50th anniversary of Simon Fraser University's School of Criminology (2025).

Denis-Szabo Prize (2021).

President's Award, International Criminal Investigative Analysis Fellowship (2020).

Paul Tappan Award, Western Society of Criminology (2019).

College of Applied Arts 2015 Presidential Distinction Award for Excellence in Scholarly/Creative Activities, Texas State University.

The Ronald V. Clarke ECCA Award, for fundamental contributions to environmental criminology and crime analysis (2015).

Justice Institute of British Columbia Distinguished Alumnus Award (2010).

100 Alumni of Influence, College of Arts and Sciences, University of Saskatchewan (2009).

Nominee for the Stockholm Prize in Criminology (2006).

Evan Hardy Collegiate Institute Wall of Fame for Scholarship and Professional Service (2006).

Sterling Prize, Simon Fraser University (2005).

Listed as one of the greatest British Columbians by *BC Almanac* (2005).

Listed as one of 100 "Notable Saskatchewanians" for Saskatchewan's centennial by the province's two major newspapers (2005).

Recognized by *Maclean's* as one of the defining innovators in Canadian history (2004).

U.S. Library of Congress requested examples of geographic profile maps for their Geography and Map Division Collection (2003).

*idea*City invitee (Toronto, ON; 2003).

Research listed as one of the most important ideas of the year in *The New York Times Magazine* (2001).

Governor General of Canada Police Exemplary Service Medal (2000).

Outstanding Alumni of the Year Award for Professional Achievement, Simon Fraser University (1999).

IACP Webber Seavey Finalist Award (1999).

Recognized by *BC Business* as one of British Columbia's top innovators (1999).

Fellow, Western Society of Criminology (1998).

Nominee for Simon Fraser University Dean of Art's Graduate Studies Convocation Medal (1996).

Police Commendations: Chief Constable's (1995), Superintendent's (1989), Inspector's (1990, 1985, 1981).

Simon Fraser University President's Research Grant Stipend (1985).

Saskatchewan Provincial Government Scholarship (1973).

Canadian Olympiad National Mathematics Contest, 6$^{th}$ prize (1973).

## IV. Service

A. Institutional

1. University:

Council of Funded Research, Texas State University (2010-2020).

University Consortium for Geographic Information Science, alternative delegate (2009-present).

United States Army Operational Test Command Partnership Day, West Fort Hood, Texas (2019).

OCIR/Formosa Plastic Professorship Selection Committee (2017, 2014, 2011).

Department of Geography Academic Program Review team (2008).

Letter of reference for institutional nomination for Royal Society of Canada Fellowship.

Faculty tenure and promotion reviews for the following universities:

Washington State University; Pullman, Washington
Georgia State University; Atlanta, Georgia
Wayne State University; Detroit, Michigan
University College London; London, United Kingdom
Griffith University; Brisbane, Queensland, Australia
Wichita State University; Wichita, Kansas
Queen Mary College, University of London; London, United Kingdom
University of Huddersfield; Huddersfield, United Kingdom
Temple University; Philadelphia, Pennsylvania
Simon Fraser University; Vancouver, British Columbia, Canada
University of Louisville
University of Texas, Dallas; Dallas, Texas.
University of Houston-Clear Lake; Houston, Texas
Texas State University; San Marcos, Texas

2. College:

Associate Dean of Research search committee (2017)

3. Department/School:

Chair, Tenure and Promotion/Reappointment Review Committee (2022-2023)

New faculty hire search committee, two assistant positions (2024).

Chair, Tenure and Promotion/Reappointment Review Committee (2022-2023)

Doctoral Executive Committee (2009-2024).

Tenure and Promotion Subcommittee (Fall 2020)

Remote Teaching Policy Committee (2019)

Subvention Committee (2019-present)

New faculty hire search committee, two assistant or associate positions (2019).

50th School Anniversary 2020 Academy of Criminal Justice Sciences (ACJS) Events planning committee.

Administrative unit name change proposal – School of Criminal Justice to School of Criminal Justice and Criminology (2019).

Publication Standards Committee (2017).

New faculty hire search committee, one assistant and two senior positions (2016).

New faculty hire search committee, one associate position (2015).

Doctoral Program Review Committee (2014-2015).

MCJS Graduate Program Committee (2009-2011).

New faculty hire search committee, two senior positions (2010).

Mentored and financially supported Texas State University doctoral research assistants and graduate research assistants on grant projects.

B. Professional:

Editorial board member for the journals:

*The Police Journal: Theory, Practice and Principles* (2020-present)
*International Criminal Justice Review* (2015-2022)
*Criminology, Criminal Justice, Law & Society* (2013-present)
