TEXAS STATE VITA

I. Academic/Professional Background

A. Name: Joseph L Etherton Title: Professor

B. Educational Background

Degree	Year	University	Major	Thesis/Dissertation
Ph.D.	1999	University of Georgia	Clinical Psychology	Stability of attachment style: The role of accessibility
A. M.	1992	University of Illinois-Urbana-Champaign	Cognitive Psychology	The encoding of position and color during the acquisition of automaticity.
B. A.	1987	Eastern Illinois University	Psychology	

C. University Experience

Position	University	Dates
Graduate Director, Masters in Psychological Research Program	Texas State University	8/2020 to 6/2022
Professor	Texas State University	9/2015 to present
Associate Professor	Texas State University	9/09 to 8/2015
Assistant Professor	Texas State University	9/06 to 8/09
Associate Professor	Loyola University New Orleans	8/05 to 9/06
Assistant Professor	Loyola University New Orleans	8/99 to 8/05

D. Relevant Professional Experience

Position	Entity	Dates
Clinical Psychologist	Jefferson Neurobehavioral Group, New Orleans LA	10/01 to 03/12
Clinical Psychologist	Private practice	5/09 to present
Developmental leave for training in clinical neuropsychology	Texas Neurorehab Center; Private practice	5/2013 to 7/2014
Developmental leave for grant proposal and Ph.D. curriculum development		1/2020 to 5/2020
Board Certified in Clinical Psychology	American Board of Professional Psychology (ABPP)	2021

II. TEACHING

A. Teaching Honors and Awards:
Deans Award, Excellence in Teaching, 2013 ($1000).
Alpha Chi "Favorite Professor" Award. 2012, 2016, 2018

B. Courses Taught:

Undergraduate

Abnormal Psychology
History and Systems of Psychology
Theories of Personality/Personality Psychology
Psychological Tests and Measurements
Practicum in Psychology
Introductory Psychology (Loyola University New Orleans)
Behavior Therapy (Loyola University New Orleans)
Research Methods (Loyola University New Orleans)

Graduate

Advanced Psychopathology (Advanced Abnormal Psychology)
Psychological Therapies
Behavioral and Cognitive-Behavioral Therapies
Health Assessment I
Neuropsychological Assessment
Practicum Supervision

C. Graduate Theses/Dissertations or Exit Committees (if supervisor, please indicate):

Jordan Ross (Supervisor). *Instance theory of automaticity: reimagining rehearsal approaches in CBT for improved outcomes.* Defended 11/17/2025.
Evan Nares (Supervisor). *Jiusitu as a form of behavioral activation to reduce negative affect*. Defended 6/20/2025.
Stephanie Hammett. *How the dark triad may influence prosocial lying*. Defended 4/7/2025.
Megan Shepherd. *Effects of pitch complexity On working memory.* Defended 6/25/2025.
Justin Tran. *In the cockpit with copilot: the impact of copilot conversations on mental health outcomes across gender, ethnicity, and year in college.* Defended 6/17/2025.
Stephen Prentice. *Environmental impact on cognitive function and stress reduction: a comparison of natural and artificial environments.* Dissertation defended 3/27/2024.
William Murley. *Orthorexia nervosa symptomatology among gay men*. Defended 3/19/2024.
Victoria Tsatenawa (Supervisor). *Visuospatial tasks effectively interfere with memory reconsolidation, leading to a reduction in intrusive memories.* Defended 11/14/2023.
Luke Vargo. *Distress intolerance in goal pursuit: validation of a novel behavioral measure.* Defended 4/12/2023.
Zehra Haque. *Metacognition and depressive symptomology: using judgments of learning*. Defended 4/14/2023.
Michael Price. *Dreams and personality influence creativity.* Defended 3/2023.
Michael Goodwin. Thesis title: *Big five personality traits and experiential variables as predictors of athlete attitude toward concussion.* Defended 11/3/2022.

Derek Mangino Sirvent (Supervisor). Thesis title: *Cooperation and Competition are Affected by Personal Values, but not by Mortality Salience or Extinction due to Environmental Pollution.* Defended 6/6/2022.
Neha Shrestha (Supervisor). Thesis title: *Leadership Aspirations Among Female College Students.* Defended 7/5/2022.
Emmanuel Reyes. Thesis title: *Dread and temporal discounting.* Defended 4/15/2022.
Christopher Danysh. Thesis title: *Using short-term meditation intervention to test the attention schema theory of consciousness.* Defended 4/13/2022.
Aqua Uwadiale. Thesis title: *A mobile application intervention for perfectionism in university students: a randomized controlled trial.* Defended 4/11/2022.
Natalie Noebel. Thesis title: *Vitamin supplementation in anorexia nervosa: examining executive function in relation to the interaction of vitamin supplementation and anorexic status.* Defended 3/31/2022.
Katherina Arteaga. Thesis title: *Treatment utilization among diverse patients with ptsd: nationwide trends and moderation by health insurance.* Defended 3/25/2022.
Kennedy Anderson (Supervisor). Thesis title: *Adherence, patient satisfaction, and mental health among organ transplant patients during the COVID-19 Pandemic.* Defended April 16, 2021.
Kyle Kilchrist (Supervisor). Thesis title: *The effects of induced positive and negative emotion on WAIS-IV working memory and processing speed performance.* Defended April 3 2020.
Stephen Prentice. Thesis title: *The effects of environment on memory and reasoning skills: environment on memory and reasoning skills: Comparing natural and artificial environments.* Defended March 27 2020.
Rachel Farley (Supervisor). Thesis title: *Associations among sexual assault, PTSD, and cognitive functioning.* Defended June 20 2019.
Niki Hayatbini. Thesis title: *Neurocognitive function in individuals with sub-clinical body dysmorphic disorder*. Defended June 20 2019.
Anthony Robinson. Thesis title: *Neurocognitive correlates of perfectionism: a multidimensional perspective.* Defended March 2019.
Katelyn Stephenson. Thesis title: *Effects of attention on subsequent preference judgments in young adults and healthy older adults.* Defended July 2017.
Chas Jones. (Supervisor). Thesis title: *The effects of induced pain on measures of executive functioning.* Defended June 2017.
Seth Doty. Thesis title: *Athlete coping: Recovery and response to injury.* Defended May 2017.
Ricardo Casteneda. Thesis title: *Psychosocial Variables Predicting Functional Restoration Treatment Outcomes for Patients with Chronic Occupational Musculoskeletal Disorder.* Defended June 2015.
Javier Arteta-Garcia. Thesis title: *The mediating role of social dominance orientation between dark tetrad personalities and hazing behaviors in college students.* Defended April 2015
Ashley Ney. (Supervisor). Thesis title: *Working Memory and Verbal Learning in Individuals with and without Learning Difficulties*. Defended April 2015.
Ariana Yglesias. (Supervisor). Thesis title: *An investigation of the changes on working memory and processing speed in children enrolled in Learning RX.* Defended April 2015.
Amanda Kruger. Thesis title: *Trauma-focused equine-assisted psychotherapy effects on child and adolescent functioning scale scores following six months of treatment.* December 2013.
Brian Tapscott. (Supervisor). Thesis title: *The effects of induced pain on PASAT performance.* Defended May 2013.
Jayson Rhoton. (Supervisor) Thesis title: *Validation of the minority status stress model: Does social support moderate the influences of perceived discrimination effects on self-rated health?* Defended May 2013.

Laura Pacheco. Thesis title: *Weight perception overestimation as a predictor for disordered eating behaviors among college women.* July 2012.
Tali Stewart. Thesis title: *I can't use my cell phone?: Cell phone addiction, restrictive social environments and health of college students.* July 2012.
Claire Allen (Supervisor). Thesis title: *The effects of aversive auditory stimulus on blood pressure, heart rate, and emotional reactivity based on personality (introversion/extraversion) to predict self-rated health.* June 2012.
Susan Rasche. Thesis title: *Ambiguity tolerance and coping strategies as a predictor of successful treatment outcomes of patients in outpatient alcohol treatment programs based on a 12-step format.* June 2012.
Rebecca Cormier (Supervisor) Thesis title: *The effects of working memory training on cigarette smoking.* March 2012
Joseph Gangi (Supervisor). Thesis title: *The misuse of attention-deficit/hyperactivity medications in a college population: Applying Khantzian's self-medication hypothesis of substance abuse.* December 2011.
Jondell Lafonte. Thesis title: *A comparison of expressive writing effects on body image: symptomatic vs. asymptomatic women.* May 2011.
Evan Reece. Thesis title: *Stress and career indecision: A comparison of senior athletes and non-athletes.* May 2011.
Megan Purser. Thesis title: *Chronic pain and body image*. June 2010
Kristen Sramek, (Supervisor). Thesis title: *PTSD: A predictor of pain severity in fibromyalgia patients.* Defended 2010.
Lani Steffens. (Supervisor). Thesis title: *Mindfulness meditation and relaxation as methods of coping with ego-depletion.* Defended May 2009.
Adam Dziedzic 2009 Thesis title unavailable.
Heather Edwards, 2008-9. Thesis title unavailable.
Abby Diehl, June 2008. Thesis title unavailable.

Honor's thesis
Madison Klovenski (Supervisor) Phantom Limb Pain: The Pain of a Missing Limb. Completed 12/2023.

Individual study
Thomas Ramos (Supervisor). Independent study in neural underpinnings of neuropsychological assessment tasks. Fall 2023-Spring 2024.

D. Courses Prepared and Curriculum Development:
2009 PSY 5326 Neuropsychological Assessment. Developed and submitted course proposal, prepared and taught this course for the first time Spring 2009.

III. SCHOLARLY/CREATIVE
A. Works in Print
1. Books (if not refereed, please indicate)
Etherton, J. L. (2026). Best Practices in Assessing Performance and Symptom Validity. Gottingen, Germany: Hogrefe Publishing.

d. Chapters in Books:
Etherton, J.L.(RA), & Beach, S.R.H. (1999). Perceived partner commitment and attachment style: Clinical implications of a cognitive perspective. In W.H. Jones and J.M. Adams (Eds.),

Handbook of interpersonal commitment and relationship stability (pp. 363-378). New York: Kluwer Academic/ Plenum Publishers.

2. Articles
a. Refereed Journal Articles:

(2015). *Absence of ego-depletion effect in replication: Letter-cancellation and anagrams.* Poster presented at the Southwest Psychological Association Annual Conference, April 11-12, 2015, Wichita, KS.

Etherton, J. L., Oberle, C. D., Rhoton, J., Green, S. M., Ney, A., & Johnson, A. (2015). *Effects of Cogmed training schedules on multiple cognitive measures.* Poster presented at the Southwest Psychological Association Annual Conference, April 11-12, 2015, Wichita, KS.

Etherton, J. L., Clark, R., Brand, T., Hummer, B., & O'Shea, C. (2015*). Controlled Oral Word Association Test Performance is Not Impaired by Induced Pain.* Poster presented at the International Neuropsychological Society Annual Conference, Feb 4-7, 2015, Denver, CO.

Etherton, J. L., O'Shea, C., Hummer, B., & Brand, T. (2014). *Cold Pressor Pain Does Not Significantly Reduce WMS-IV Immediate Auditory Memory Performance.* Poster presented at the Southwestern Psychological Association Annual Convention, April 3, 2014, San Antonio, TX.

Etherton, J. L., Brand, T., Hummer, B., O'Shea, C., & Clark, R. (2014). *Effects of induced pain on CVLT-2 performance.* Poster presented at the Southwestern Psychological Association Annual Convention, April 3, 2014, San Antonio, TX.

Etherton, J. L., O'Shea, C., Hummer, B., Brand, T., & Clark, R. (2014). *Raven's Progressive Matrices performance is not impaired by induced pain.* Poster presented at the Southwestern Psychological Association Annual Convention, April 3, 2014, San Antonio, TX.

Etherton, J. L., Brand, T., Hummer, O'Shea, C., Segovia, J., & Thomlinson, S. (2013). *Cold pressor pain does not impair WMS-IV Visual Working Memory Index performance.* Poster

presented at the National Academy of Neuropsychological Convention, October 16-19. San Diego, CA.

Axelrod, B., & **Etherton, J. L.** (2012). *Heterogeneity of variance in a non-clinical sample.* Poster to be presented at the National Academy for Neuropsychology Annual Convention, November 7-10 2012, Nashville TN.

Etherton, J. L., Phelps, T. K., Richmond, S., Tapscott, B., and Thomlinson, S. (2012). *Cold pressor pain leads to slight reduction in CVLT-2 performance*. Poster to be presented at the National Academy for Neuropsychology Annual Convention, November 7-10 2012, Nashville TN.

Etherton, J. L., Allen, C., Cormier, R., Cumley, N., Kruger, A., Pacheco, L. (2012). *Cold Pressor Pain Does Not Impair WAIS-IV Verbal Comprehension Index Performance.*Poster to be presented at the National Academy for Neuropsychology Annual Convention, November 7-10 2012, Nashville TN.

Etherton, J. L., Allen, C., Cormier, R., Cumley, N., Elek, M., Green, M., Kruger, A., Pacheco, L., Robinson, G., & Welch, H. (2012). *Cold Pressor Pain Does Not Impair WAIS-IV Perceptual Reasoning Index Performance.* Poster to be presented at the National Academy for Neuropsychology Annual Convention, November 7-10 2012, Nashville TN.

Etherton, J. L, Allen, C., Cormier, R., Cumley, N., Kruger, A., Pacheco, L., & Skinner-Barney, A. (2012). *WAIS-IV Working Memory Index Performance is Not Impaired by Cold-Pressor Induced Pain*. Poster presented at the American College of Professional Neuropsychology Annual Convention, March 9-10 2012, Las Vegas NV.

Etherton, J. L, Allen, C., Cormier, R., Cumley, N., Kruger, A., Pacheco, L., & Skinner-Barney, A. (2012). *Cold Pressor-induced Pain Does Not Impair WAIS-IV Processing Speed Index Performance.* Poster presented at the American College of Professional Neuropsychology Annual Convention, March 9-10 2012, Las Vegas NV.

Osborne, R. E., **Etherton, J. L.,** Gregg, T., & Laurie, M. M. (2012). *The method matters: the relationship between trigger response strategies and smoking cessation.* Poster to be presented at the American Psychological Association Annual Convention, August 2012. Orlando, FL.

Etherton, J. L., & Axelrod, B. (2011). *Do Administration Instructions Alter Optimal Neuropsychological Test Performance? Data from Healthy Volunteers*. Poster presented at the National Academy of Neuropsychology Annual Convention, November 16-19. Marco Island, FL.

Lawson, M., **Etherton, J. L.,** & Graham, R. (2011). *Individual and gender differences in subjective and objective indices of pain: Gender, pain catastrophizing and cardiovascular reactivity.* Poster presented at the American Pain Society 30th Annual Convention, May19-20. Austin TX.

Osborne, R. E., **Etherton, J. L.,** Ferguson, C., Ramos, M. (2010). *"Bring it on" or "I don't want to see it": The impact of confronting versus avoiding strategies in abstinence efforts.* Poster presented at the Addictions 2010 Conference, October 28-31. Arlington VA.

Greve, K. W., Ord, J. **Etherton, J. L**., Bianchini, K. J., & Curtis, K. L. (2009). *Criterion groups validation of the Word Memory Test in chronic pain.* Poster presented at the 29th Annual conference of the National Academy of Neuropsychology, November 11-14. New Orleans LA.

Greve, K. W., Aguerrevere, L. E., Bianchini, K. J., **Etherton, J. L.,** & Heinly, M. T. (2009). *Validation of the malingered pain-related disability criteria.* Poster to be presented at the 29th Annual Conference of the National Academy of Neuropsychology, November 11-14. New Orleans LA.

Etherton, J. L., Bianchini, K. J., Greve, K. W., & Heinly, M. (2007). *MMPI-2 Profiles in Chronic Pain Patients Controlling for Incentive Effects including Malingering.* Poster presented at the 41st Annual Convention of the Association for Behavior and Cognitive Therapies. Philadelphia, PA.

Etherton, J. L., Greve, K. W., Bianchini, K. J., Heinly, M. (2005). *MMPI-2 Profiles In Non-Clinical Simulators And Clinical Malingerers Of Pain-Related Disability*. Poster to be presented at the 39th Annual Convention of the Association for Behavior and Cognitive Therapies. Washington, D. C. *(Accepted but not presented due to hurricane displacement)*

Etherton, J. L., Greve, K. W., Bianchini, K. J., & Heinly, M. (2005). *Pain, Malingering, and the WAIS-III Processing Speed Index*. Poster to be presented at the 39th Annual Convention of the Association for Behavior and Cognitive Therapies. Washington, D. C. *(Accepted but not presented due to hurricane displacement)*

Repasky, S. A., Thompson, K. E., Franklin, C. L., Hamilton, M., West., J., & **Etherton**, J. (2005). *Trauma-related nightmares: Use of imagery rehearsal therapy with combat veterans*. Poster presented at the annual conference of the International Society for Traumatic Stress Studies.

Etherton, J., Bianchini, K., Greve, K., & Heinly, M. (2005). *Working Memory Index Performance During Cold-Induced Pain*. Presented at the 51st Annual Meeting of the Southeastern Psychological Association, Nashville, TN, April 6-9.

Etherton, J., Bianchini, K., & Greve, K. (2004). *Word Memory Test (WMT) Performance During Cold-Induced Pain: Implications for Detecting Pain-Related Malingering*. Presented at the 38th Annual Convention of the Association for the Advancement of Behavior Therapy, New Orleans LA.

Etherton, J., Greve, K. & Bianchini, K. (2004). *Computerized Assessment of Response Bias (CARB) Performance During Cold-Induced Pain: Implications for Detecting Pain-Related Malingering*. Presented at the 38th Annual Convention of the Association for the Advancement of Behavior Therapy, New Orleans LA.

Etherton, J. L., Bianchini, K. J., Greve, K. W., *Crapanzano, A., *Foster, A., & *Zuchowski, M. (2004). *Reliable Digit Span scores are unaffected by pain: Implications for clinical use*. Presented at the 56th Annual Convention of the Louisiana Psychological Association, Baton Rouge, LA.

Etherton, Bianchini, & Greve (2003). *Test of Malingering Memory Performance during Cold-Induced Pain: implications for pain-related malingering*. Presented at the 37th Annual Convention of the Association for the Advancement of Behavior Therapy, Boston, MA.

Etherton, J., & Hammer, E. Y. (2003). *Putting history in perspective: A topical approach to teaching the history and systems course*. Poster presented at the Southeastern Conference on the Teaching of Psychology, Kennesaw GA.

Bhalla, M., Hammer, E. Y. & **Etherton**, J. L. (2003). *Building a community of students: Using learning communities to enhance the freshman year experience*. Poster presented at the Association of American Colleges and Universities Network for Academic Renewal Conference, April 10 - 12, Phoenix, AZ.

Etherton, J., Bianchini, K., & Greve, K. (2002). *Detection of neurocognitive malingering: 3 case studies*. Presented at the 36th Annual Convention of the Association for the Advancement of Behavior Therapy, Reno NV.

Banawan, S., **Etherton**, J. & Beach, S.R.H. (2001). *Negative interpretation bias and insecure attachment style.* Presented at the 47th Annual Meeting of the Southeastern Psychological Association, Atlanta, GA, March 21-24.

Etherton, J., Beach, S.R.H., & Banawan, S. (2001). *Imagery rehearsal and relaxation in the treatment of nightmares*. Presented at the 47th Annual Meeting of the Southeastern Psychological Association, Atlanta, GA, March 21-24.

Etherton, J., Beach, S.R.H., & Whitaker, D. (2001). *Attachment schema accessibility as a predictor of attachment style stability*. Presented at the 47th Annual Meeting of the Southeastern Psychological Association, Atlanta, GA, March 21-24.

Banawan, S., **Etherton**, J., & Beach, S.R.H. (2000). *Negative judgment bias and insecure attachment style.* Poster presented to the 34th Annual Convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

2. Invited Talks, Lectures, Presentations:
Forensic Psychology: Assessing Validity in Disability Claims (12/6/2023). Invited presentation at 22nd Annual PartnerSource Employers' Conference Nonsubscriber. Dallas TX.

Etherton, J. L. (September 29, 2004). *Self-care for the partner of a stroke victim*. Stroke Survivor Support Group, East Jefferson Hospital, Metairie LA.

5. Other: (Works under review):
Abramovitch, A., Herrera, T. A., & **Etherton, J. L**. (under review). A comprehensive neuropsychological study of misophonia. 1/23/2023.

C. Grants and Contracts
1. Funded External Grants and Contracts:
NA

2. Submitted, but not Funded, External Grants and Contracts:
Foundation Grants Submitted (not funded)
Proposal Title: *Providing Accessible, Cost-Effective Mental Health Interventions: Collaborating with Community Partners for Training and Supervision in Low-Intensity Cognitive Behavioral Therapy.* **Etherton, J. L.** (PI). Proposal Letter of interest submitted to Hogg Foundation for Mental Health, Collaborative Approaches to Well-being in Rural Communities, request for letters of interest (submitted 3/7/2018, not funded).

Federal Grants Submitted (not funded)
Proposal Title: *Controlling for Incentive Effects in Predicting Outcome in chronic Pain.* **Etherton, J. L**. (PI) R03 grant submitted to the National Institutes of Health (submitted 10/16/2009, not funded).

Proposal Title: *Characterizing Sleep and Oculomotor Function in Persons with Mild Traumatic Brain Injury in Response to Exercise.* Gobert, D. (PI)(TX), Komogortzev, O. (CO-PI)(TX), Marshall, G. (CO-PI)(TX), **Etherton, J. L**. (CO-PI)(TX), & Honles, G. (CO-PI)(TX) R15 grant submitted to National Institutes of Health-Academic Research Enhancement Award. $300,000, Direct Costs (not funded).

Proposal Title: *Gender-specific Oculomotor, Cognitive and Sleep Function of Veteran Students with Mild Traumatic Brain Injury in Response to Customized Exercise Training*. Gobert, D. (PI) (TX), Komogortzev, O. (CO-PI)(TX), Marshall, G. (CO-PI)(TX), **Etherton, J. L**. (CO-PI)(TX), & Honles, G. (CO-PI)(TX) RC01 grant submitted to National Institutes of Health-Challenge Grant Award. $860,138, Direct and Indirect Costs (not funded).

Proposal Title: *Cognition, oculomotor and sleep function in persons with mild traumatic brain injury.* Gobert, D. (PI)(TX), Komogortzev, O. (CO-PI)(TX), Marshall, G. (CO-PI)(TX), **Etherton, J. L**. (CO-PI)(TX), & Honles, G. (CO-PI)(TX) R15 granted submitted to the National Institutes of Health. (not funded).

Proposal Title: *Measuring cognitive, emotional, and psychomotor pain-related deficits while controlling for incentive effects.* **Etherton, J. L.** (PI). R03 grant submitted to National Institute for Nursing Research. Submitted 2007 Not funded

Proposal Title: *Classification accuracy of indicators of pain-related malingering*. **Etherton, J. L.** (PI). R03 grant submitted to Agency for Healthcare Research and Quality. Submitted 2005. Not funded.

Proposal Title: *Detecting pain-related malingering*. **Etherton, J. L** (PI)(TX)., Bianchini, K. J. (CO-PI), & Greve, K. W. (CO-PI). R03 grant submitted to National Institute for Arthritis, Musculoskeletal, and Skin Diseases. Submitted 2003. Not funded.

3. Funded Internal Grants and Contracts:
Funded Research Development Grant, Office of VP for Research, Texas State University
Etherton, J. L. (2013). Effects of Cogmed working memory training on cognitive performance. $12,000.

Funded Research Enhancement Program Grant, Texas State University
Etherton, J. L. (2006). Classification accuracy of the WAIS-III as an indicator of pain-related malingering. $750.

Funded Internal Grant, Loyola University.
Etherton, J. L. (1999). *Relationships and Cognition: Anxiety-Related Processing Biases*. Loyola University Grants and Leaves Grant, $650.

4. Submitted, but not Funded, Internal Grants and Contracts:

D. Fellowships, Awards, Honors:
1996-1997; 1998-1999
University of Georgia University-Wide Research Fellowship

1996-1997
University of Georgia Merit Supplemental Scholarship Award

IV. SERVICE
A. University:
Member, Presidential Award for Excellence in Scholarly/Creative Activities Selection Committee, 2014-2015; 2015-2016; 2016-2017
Member, College Review Group, 2016-2017; 2017-2018; 2021-2024
Chair, University Research Committee, 2012-13
Member, University Research Committee, 2010-2012
Chair, College of Liberal Arts Research Enhancement Program, Fall 2010-2012
Member, Liberal Arts Graduate Scholarship Committee, Spring 2010
Graduate Scholarship Committee, Fall 2009-Spring 2010
College Review Group alternate, Fall 2009-Spring 2010
Summative Review Committee for Liberal Arts Dean, Spring 2009
Member, Texas State University Institutional Review Board, Fall 2009 to Spring 2016
Representative to the College of Liberal Arts Research Enhancement Program, 2008-2010; 2024-2025

B. Departmental:
Texas State University-San Marcos
Graduate Director, MA in Psychological Research program, August 2020-2022.
Lead Author, Clinical Psychology PhD proposal, 2016- 2019; 2022-present
Member, PhD program committee, Spring 2016-November 2019; July 2022-present
Faculty Search Committee member, Fall 2017
Faculty Search Committee member, Fall 2016

Faculty Search Committee member, Fall 2014
Faculty Review Committee, alternate, Spring 2013
Faculty Review Committee, alternate, Spring 2012
Faculty Search Committee member (2 positions), Fall 2012
Faculty Review Committee, member, Spring 2011; Spring 2018
Department Chair Search Committee member, Fall 2010-Spring 2011
Faculty Review Committee alternate, Spring 2010
Personnel Committee member, Fall 2009-present
Co-Advisor, Psychology Association, Fall 2008, Spring 2009
Psychology Department Grant Committee chair, Fall 2009-present
Graduate Program Committee member, Fall 2008 to present
Psychology Department Grant Committee member, Fall 2008-present
Faculty Search Committee member, Fall 2008-Spring 2009
Faculty Search Committee member, Fall 2006
Member, Human Participants Pool Committee, Fall 2007
Chair, Human Participants Pool Committee, Fall 2006-Spring 2007

Loyola University New Orleans, 1999-2006
Tulane University Institutional Review Board, Fall 2003 – Spring 2006
Senior Competency Exam (Psychology Majors), Coordinator and Proctor. Fall 2001- 2006.
Psychology Department Library Liaison, Spring 2004- 2006
Psychology Department Webpage Coordinator, 2003-2006
Faculty Advisor, Medical Mission Aid Society, 2004-2006
Faculty Search subcommittee member, Fall 2004
Faculty Search subcommittee member, Fall 2003
Arts & Sciences Faculty Excellence in Teaching and Advising Awards Committee, Spring 2003, Spring 2004
Arts &Sciences Faculty Excellence in Research and Service Awards Committee, Spring 2003, Spring 2004
Loyola University Faculty/Course Development Committee, Fall 2003, Fall 2004
Loyola University Parking Committee, Spring 2002
Search Committee for Counseling Psychologist, Student Counseling Services, Spring 2001, Spring 2002

D. Professional:
Board Certification Examiner
American Board of Professional Psychology (ABPP), Clinical. 2022-present.

Editorial Experience:
Editorial Board, Archives of Clinical Neuropsychology, 2008-2015
Editorial Board, Assessment, 2009-present
Editorial Board, Frontiers of Psychology, 2016-2021

Reviewer, Journal of Clinical and Experimental Neuropsychology, 2016-present.
Reviewer, International Journal of Sport and Exercise Psychology, 2015-present
Reviewer, The Clinical Neuropsychologist, 2015-present
Reviewer, Journal of the International Neuropsychological Society, 2013-present
Reviewer, Applied Neuropsychology: Adult, 2013-present

Reviewer, Assessment, 2008-present
Reviewer, Journal of Health Psychology, 2015-present
Reviewer, Journal of Nervous and Mental Disorders, 2019-present
